## DRAMATIC SCENE AT BANQUET

**TOAST "TO THE PRESIDENT OF THE UNITED STATES" AT BANQUET TO ROOSEVELT IS DRANK IN PROFOUND SILENCE—GUESTS TAKEN BY SURPRISE.**

Kansas City, Mo., Sept. 1.—With Colonel Theodore Roosevelt as the guest of honor, and an assemblage of some of the most prominent men in the progressive Republican ranks at the tables of the Commercial club banquet, dead silence greeted the toast to President Taft given by the toastmaster.

President Bland of the club, who acted as master of ceremonies, arose as soon as the guests were seated and said:

"It is the unvarying custom of the Commercial club that the first toast be to the President of the United States."

The buzz of conversation that died down during the speaker's words left a profound silence. The guests were stunned by the suddenness of the salutation and the unexpected mention of the President's name, and could do nothing but rise and silently drink the toast.

### Idaho Is Again Regular.

BOISE, IDAHO, Sept. 1.—There is no doubt today that Idaho has joined the insurgent column. Although all the returns from the first primary election within the state are not in, it is conceded that Burton L. French, progressive, is assured of the nomination over Thomas H. Hamer, regular, for congress. Hamer is the present incumbent.

French carried practically every county, running particularly well in the Idaho Panhandle. In Southeastern Idaho, Hamer's stronghold, the insurgent candidate continued his success over his "stalwart" opponent. The insurgents assert that French's victory is overwhelming and is another indication that voters have tired of stand-patnism and organization rule.

Governor Brady, who is up for re-nomination, probably will succeed in his quest. According to the returns today he was leading Clagstone, who is running second, by a comfortable plurality. Brady's strength in Southern Idaho where he carried practically every town, was a surprise. The only two which did not give him a plurality vote were Gooding and Hatley.

Today the race for the Republican gubernatorial nomination was led by Brady with Clagstone second, O'Neil third and Fletcher fourth. It is conceded that O'Neil has been beaten for first place but his managers declare that in case Brady fails to secure the nomination on first choice that O'Neil will be strongly in the running. It is not believed that Fletcher has a chance.

James H. Hawley, who ran against Arthur C. Rice for the Democratic gubernatorial nomination, was successful. He carried the north, southeast and south by big majorities. Rice favored a dry state.

Arthur Bowen won the Democratic nomination for representative of congress.
