WILL FIND PERMANENT HOMES HERE

GEORGE C. WILLS, BRINGS LARGE NUMBER OF HOMESEEKERS TO SALEM THAT WILL LOCATE IN THE COUNTRY PERMANENTLY.

Many eastern homeseekers are constantly finding permanent homes in Salem and Marion County. The excellent climate, fine crops, beautiful wide streets, elegant buildings and the best of social and educational advantages, all have a tendency to interest the best class of immigrants. Prominent among the homeseekers of the desired good quality, is the new shipment of S. W. MILLER pianos which have just arrived direct from one of America's best equipped piano factories, which is located at Sheboygan, Wisconsin.

These pianos are temporarily staying at the store of Geo. C. Wills, Salem's Pioneer Piano House, but all of these magnificent S. W. MILLER pianos will soon find permanent homes among the music loving people of Salem.

The S. W. MILLER Piano bears the proud distinction of being one of America's very choicest home pianos, consisting as it does of an exceptionally sweet but powerful tone, an even scale and durable action, coupled with case designs that are at once attractive and well-finished.

The many sales of the unsurpassed S. W. MILLER Pianos, that have recently been made in competition with the best goods that have ever been heretofore handled on the Pacific Coast, proves the superiority and sterling worth of the S. W. MILLER line of instruments. When the S. W. MILLER factory decided to place their goods in the hands of a

distributor in Western Oregon, it was Geo. C. Will, the old pioneer, who was chosen to represent them as factory distributor, and the first order sent from Western Oregon bore the signature of Salem's OLD-EST, LARGEST and BEST piano dealer.

Mr. Will has been doing business at the old stand, for over 20 years, and during this long time, has seen many other piano stores come and go, like the summer clouds. He has had so-called competition in the piano business, one month, and none the next, but there is one thing he NEVER had any competition in, and that was, in knowing how to buy GOOD, HONEST GOODS, at the LOWEST PRICES.

It is an old saying that a piano WELL BOUGHT is a piano HALF SOLD. Mr. Will is considered by competent factory travelers as one of the very shrewdest piano buyers. In the business today, always paying spot cash for each and every piano enables him to take advantage of many good buys.

A few years ago, Mr. Will originated the system of buying pianos direct from the factory, and selling direct to the home, and as the first independent dealer in the entire Willamette Valley, to introduce this advanced system of piano retailing from Factory to Home, from Maker to user.

This progressive method of retailing pianos direct from Factory to Home, was the result of a strong popular demand for a system where the piano buyer would have a chance to enjoy the same freedom in buying a piano, as they would in purchasing other articles of merchandise.

This new system was a big success which Mr. Will, from the start, and some of the shrewd and most careful buyers from other cities, have made trips to Salem to provide themselves with high grade pianos at prices that were much less than could be obtained from men who did not have the buying knowledge which has always been a strong point with Mr. Will.

Besides, the people as a whole, are

Representatives---Carl Abrams, Salem No. 2; L. T. Reynolds, Chemawa; Joseph G. Fontaine, Jefferson; S. A. Hughes, Salem No. 2; and Dr. W. A. Fishburn, Silverton.

Commissioner---W. H. Goulet, Woodburn. Sheriff---H. P. Minto, South Salem. Clerk---Max H. Gehlar, Salem No. 6. Recorder---A. H. Will, Aurora. Treasurer---J. G. Moore, Salem No. 2. Surveyor---B. B. becoming educated somewhat, in buying pianos, and the head of the family who is ambitious that the children shall acquire a musical education, wants an instrument that will last a long term of years, and Mr. Will's word that the piano was an honest one, has always been taken, and the confidence that has been placed in his judgment, has never been violated, as scores of his old customers will gladly attest.

It is a musical treat, indeed, to go through this large establishment, where from 75 to 100 pianos are constantly carried in stock.

X-RAYS AND SMILES.

A tank containing 18,000 gallons of beer collapsed at Fort Wayne, Indiana, last Saturday and the whole lot of suds went through the sewer into the Maumee river. The catfish in that famous stream where the "sycamore's grow tall"--only needed a few weiners and some cheese, to have a genuine Dutch picnic.

The Assembly candidates who are insisting that they are in favor of the direct primary are much like the barrel of whiskey an Irish drayman was sent to the warehouse after. He came back without it.

"What's the matter Pat, couldn't you find the barrel I sent you after?" inquired the boss. "I don't know," said Pat: "I found a barrel but the damned thing was marked whiskey on one end and P. Duffy on the other and sure how could I tell which of 'em was in it?"

The days and nights are equal the world around just now, but the days have the short end of the bargain coming.

Uncle Joe Cannon says he will never go into vaudeville even for \$9,000 a week. He has been doing great stunts for years in Washington but as a drawing card he has worn out. It looks like Joseph would have to take the road and barnstorm it, or go out of the limelight.

Wilton Lackaye in "The Battle", both a smile and a delight.

Five weddings yesterday. The horse editor sincerely hopes that Buffalo Bill and the bucking cayuses will not furnish an example which any of the happy couples may undertake to emulate.

A dispatch says it took eight policemen to lift Charles Newland, a drunken sheepherder who weighs 312 pounds, into the patrol wagon. It seems from this that the lifting power of a Portland policeman is 40 pounds.

The Statesman says, "the man who tried to get an Assembly nomination and failed, doesn't deserve any anti-assembly votes." Well if this is true, the man who tried to get an Assembly nomination and got it, doesn't deserve any anti-Assembly votes either.

The Statesman says "the man who tried to get an Assembly nomination and failed doesn't deserve any anti-Assembly votes" or rather, it quotes the statement from the Oregon Journal and indorses it. Now, if this is true, isn't it equally true that the man who sought the Assembly nomination and got it, is also not entitled to receive any anti-Assembly votes? As a matter of fact, is any man who is trying to deprive the voters of a right to vote for the selection of candidates any right to the vote of any honest citizen of any party?

CAUSE OF FALLING HAIR.

Dandruff, Which is a Germ Disease—Kill the Germ.

Falling hair is caused by dandruff, which is a germ disease. The germ in burrowing into the root of the hair, where it destroys the vitality of the hair, causing the hair to fall out, digs up the cuticle in little scales, called dandruff or scurf. You can't stop the falling hair without curing the dandruff, and you can't cure the dandruff without killing the dandruff germ. "Destroy the cause, you remove the effect." Newbro's Herpicide is the only hair preparation that kills the dandruff germ. Herpicide is also a delightful hair dressing. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed.—J. C. Perry.

There is no extra charge for failure.

G. W. JOHNSON.

I came to Marion county with my parents in 1847, and have resided in this immediate vicinity nearly the entire time. For twenty-eight years I have conducted a clothing store in Salem under the name of G. W. Johnson & Co. I have always been a Republican, and have never before asked the party for any favor. This year there is an issue before us. It is either the Assembly or the Direct Primary method. I am opposed to the Assembly, and if you are interested as I am in promoting the welfare of our party you will vote for those candidates, who, as myself, favor the direct primary without evasion or subterfuge.

If I am nominated and elected I will during my term of office faithfully represent the interests of my constituents to the best of my ability, and will support the direct primary law and Statement No. 1, and will oppose the assembly method of nominations. G. W. JOHNSON. (Paid Advertisement.)

TOM KAY

Tom Kay, anti-assembly Republican candidate for State Treasurer, has been a member of the Oregon Legislature for the past eight years, and has an excellent record.

He was the author of the Flat Salary bill, which saves the state over \$35,000 a year. Also, an active supporter of the Corporation Tax law, which brings in over \$150,000 annually, and of the Inheritance Tax law which brings to the state \$60,000 annually.

On account of his persistent opposition to clerkship extravaganzas and unnecessary appropriations, he was known as

"The Watch-Dog of the Treasury."

And was frequently referred to as such by various papers in the state. The Baker City Herald has the following to say: "The most prominent watch-dog in the house at this session of the Legislature is Hon. T. B. Kay, of Marion. He not only objects to measures carrying appropriations that are not of real interest, but backs up his position with a tenacity of purpose. While he has failed in some instances in gaining his point, he has succeeded in saving the taxpayers many thousands of dollars."

Supporter of the Direct Primary Law. (Paid advertisement.)

SAGE FOR DARKENING THE HAIR.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderful beneficial effect. Nowadays we don't have to resort to the old-time, tiresome method of gathering the herbs and making the brew. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready made product, Nye's Sage and Sulphur, containing sage in the proper strength, with the addition of Sulphur, another old-time scalp remedy. This preparation is sold by all first-class druggists for 50c. and \$1.00 a bottle, or is sent direct by the Wyzth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price. J. C.
