

AROUSED BY DEATH OF NEIGHBORS

GOVERNOR OF INDIANA ALSO STIRRED BY THE TERRIBLE ACCIDENT AT KINGSLAND, SAYS THOSE RESPONSIBLE MUST BE PUNISHED.

[UNITED PRESS (LEASER WIRE.)] Indianapolis, Ind., Sept. 23.—"The persons responsible for the horrible wreck must go to prison; leave no stone unturned until the blame is placed."

This was Governor Marshall's emphatic declaration today when he discussed the Kingsland wreck on the Wabash valley inter-urban line, in which 40 persons lost their lives.

Marshall is determined that the responsible persons shall stand punishment for the tragedy, and that the affair shall not be whitewashed. He today recommended a meeting of the Indiana railroad commission and suggested that the officials of the Wabash valley road and the employees on duty all along the line at the time of the wreck be examined.

Citizens of Bluffton, where 19 of the persons killed resided, are preparing resolutions demanding a thorough sifting of the affair. The resolutions will be forwarded to the governor.

THE REGULAR EVERY MORNING AUTO ACCIDENT

[UNITED PRESS (LEASER WIRE.)] Mineola, L. I., Sept. 23.—George Robertson, driving a Benz car on the Parkway at 60 miles an hour today, lost control of his machine and probably was fatally injured.

He was taken to a hospital where it was found his right arm was broken, his collar bone broken and his skull probably fractured. He was internally injured.

Stephen Reynolds, mechanic, was less seriously hurt. The accident occurred during a preparatory spin for the Vanderbilt cup race October 1.

Twenty-five entrants were on the parkway today making trial runs in preparation for the coming event. Robertson's Benz was rounding a

THE BATTLE

curve at Massapequa going at top speed. He applied the brakes but they failed to work. The car skidded, crashed into a telegraph pole with a sickening roar and Robertson was thrown headlong through a fence into the field beyond. He was unconscious when picked up and carried from the scene of the accident.

Reynolds was under the wrecked automobile. He was extricated with difficulty but did not appear to have been seriously injured.

Robertson was soon revived. He complained of intense internal pains. He pleaded not to be taken to a hospital, wishing not to unnecessarily alarm his wife. His request was disregarded, however.

Dr. Wood, who examined Robertson, pronounced his injuries serious.

WILTON LACKAYE IN "THE BATTLE."

At the Grand Opera House Saturday night Wilton Lackaye will be seen in "The Battle" by Cleveland Moffett, one of the most substantial hits of the last metropolitan season. "The Battle" aroused interest not only on account of its merits as a drama, which have been declared conspicuous, but also because of its novel attitude on subjects of popular interest.

It concerns principally the adventures of John J. Haggleton, the richest man in New York, in his quest for his long lost son, during which he is brought to "Lung Block", a tenement district notorious for its unsanitary condition, and of which he is landlord. Finding here a chance to recover the possession and affections of this son, Haggleton is persuaded by a group of reformers, to remain incognito and penniless in this district, their purpose being to make him realize the crying need for reform and improvements by making him suffer through actual contact with conditions brought about by their absence.

Haggleton, however, proves a worthy foe man to conditions as he

finds them and successfully demonstrates that no small part of the blame for unsatisfactory conditions rests with the tenants themselves. Moreover, in his efforts to begin life all over again, he proves his thesis that "brains will win out in any surroundings", and in organizing and getting under way a tremendous project, he wins the admiration and regard of his son. When the latter, one of the most zealous of the reformers, discovers his relationship to Haggleton, he is inclined to place his growing admiration for the man above the arguments of his colleagues, who disapprove of the millionaire's methods and his past. The young man's fiancée, however, sides against him, and for a while there is an intense struggle, between the opposing forces. The call of the blood finally triumphs, and circumstances so occur that no one is the loser in the end.

SLANDER TO SAY ONE HAS NEGRO BLOOD

[UNITED PRESS (LEASER WIRE.)] Los Angeles, Sept. 23.—Because Judge Monroe, in the superior court, held that it is slander to declare that a white woman has negro blood, Samuel Mendelsohn, manager of a theater at Vallejo, must pay Helen Ogden \$1000 damages.

Miss Ogden alleged that Mendelsohn caused to be printed in a theatrical paper a statement that "Miss Ogden, a colored woman, is a person without veracity." The girl sued for \$25,000, claiming that, until the circulation of the alleged statement she had been able to earn a living as a vaudeville singer.

How much have the fields netted per acre this year after the cost of labor, interest on the investment, and living expenses have been charged up to them?

Don't let the horsehoeer pare away the bars in the horse's hoof. Nature put them there for a purpose—to strengthen the hoof and to protect the bottom of the foot.

HELLO GIRL OUT TALKED THE ROBBER

[UNITED PRESS (LEASER WIRE.)] Portland, Ore., Sept. 23.—One hour after Miss Amy Roberts, a telephone operator, had been held up, robbed of 75 cents, which the highwayman returned after she lectured him and called him "mean," John Murphy, 27, who claims to be the son of a nurseryman in Los Angeles, was arrested for the alleged crime early today.

The robber wore a blue polka dot handkerchief over his face and carried a large revolver when Miss Roberts was held up.

When arrested shortly afterward, a blue polka dot handkerchief and a revolver were found on Murphy. The police assert he confessed.

IS CREATING A NEW BASEBALL ORGANIZATION

Cincinnati, O., Sept. 23.—That the new Major league, which D. A. Fletcher has been trying to organize may become a reality was admitted today by Garry Hermann, chairman of the National commission and one of the leaders of the baseball world. Hermann says that he has copies of contracts which the new league has induced six major league players to sign. The contracts stipulate that a bonus of \$10,000 be paid these players as the league's playing season opens. In from three to five years, varying according to the contracts, the players become free agents.

Hermann believes that the players who have already signed will become members of the team.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Galena, Kans.—"A year ago last March I fell, and a few days after there was soreness in my right side. In a short time a lump came and it bothered me so much at night I could not sleep. It kept growing larger and by fall it was as large as a hen's egg. I could not go to bed without a hot water bottle applied to that side. I had one of the best doctors in Kansas and he told my husband that I would have to be operated on as it was something like a tumor caused by a rupture. I wrote to you for advice and you told me not to get discouraged but to take Lydia E. Pinkham's Vegetable Compound. I did take it and soon the lump in my side broke and passed away."—Mrs. R. R. HULY, 713 Mineral Ave., Galena, Kans.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

If you want special advice write for it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.
