WE ARE NOT ROBBING POSTERITY

Fifty Years of Intelligent Forestry Will Give United States More Timber Than It Had When Columbus First Landed.

DARK AGES ARE NOT COMING

There is Plenty of Coal and Gas for Thousands of Years, and Weeping Over the Imaginary Woes of Posterity is on a Par With Mark Twain Weeping Over the Tomb of "His Ancestor" Adam

After a tribute to Colorado and its citizens, ex-Governor Adams said: "After one hundred years given to cutting their own forests, corraling their water powers and despoiling their coal treasures, our Eastern brothers are especially vigorous in demanding that the national government stop the waste and vandalism of the West. It is a survival of the old Yankee spirit which a generation ago originated Indian societies for the protection and reformation and salvation of the Indians of the West, Reading Romola and their Bible, they prayed 'poor Lo' might be saved from the rapacity and cruelty of the frontiersman."

CHAVEZ HAS RELAPSE AND MAY NOT RECOVER

Domodossola, Sept. 26.—Fear that that George Chavez, the aviator, who flew across the Alps last week for the first time in history, and who fell with his machine near Domodossola, will not recover, was expressed today by physicians attending him. A consultation of physicians has been hastily called and Chavez' condition is reported critical. When the accident occurred Chavez was believed to be fatally hurt. He was taken to a hospital and revived, and it was said he would recover. News of his relapse occasioned much regret, as people were enthusiastic over his feat.

Roosevelt on the Ground. New York, Sept. 26.—Prepared to compromise, if necessary, Colonel Theodore Roosevelt started for Saratoga at 9:30 this morning. The colonel is inclined to disbelieve reports that he will not be able to control the convention when the matter of the primary plank comes up.

Lloyd C. Griscom and Herbert Parsons, Roosevelt's chief lieutenants, will report to the former president as soon as he reaches Saratoga, and will go over the whole situation with him.

The contributing editor was cheerful when he left, and apparently expected to win his fight. He is sanguine of election to the temporary chairmanship. He expects also little difficulty in having the progressive platform adopted. In regard to the platform he remarked that, while he expected to be progressive, it would not go any further than the people are prepared to go.

The man everybody spoke well of stayed in the well. The man on top had hard words and brickbats, editorials and sermons shied at him, but "look at the view he gets," said Canavan. According to Canavan's experience it was virtue, and not truth that was to be found at the bottom of the cistern. Truth was to be found only at the top of the haystack.

WOMAN IN THE CASE CONFESSES

Tells of the Death of the School Mistress, Eva Swan, and of How Dr. Grant Prepared the Body for Burial by Cutting It

GRANT CAUSED HER DEATH

Nurse Says Grant Knew Ten Days Before the Girl Died That She Could Not Recover, and Made His Arrangements for Disposing of the Body Long Before She Was Dead—Would Have Buried Body in Garden, Only It Was Bright Moonlight.

[SPECIAL SERVICE: MISS GELING] San Francisco, Sept. 26.—Following the confession of Marie Messerschmidt, nurse, in which the sordid details of the death of Eva Swan were given to the police, a charge of murder was filed today against Dr. Robert Thompson, alias Dr. James Grant, in whose office the Swan girl is alleged to have died and who is said to have caused her body to be buried in the cellar of a house in Eureka street, where it was found Friday night.

The complaint was sworn to by Detective Sergeant Ed Wren. Miss Messerschmidt's confession is regarded by the police as the final link in the chain of evidence. It is doubly strong, they say, because it not only charges the physician with performing an operation that caused the girl's death, but shows that Dr. Thompson knew 10 days before her death that she could not survive and that he made preparations for the disposition of the body several days before death occurred.

Miss Messerschmidt's confession was obtained after it had been despaired of. She broke down when shown a photograph of her mother, now dead, and the confession followed. Miss Messerschmidt blamed Paul Parker for the girl's condition, according to the police. Parker is kept under surveillance.

Mormons Oppose Prohibition

Ogden, Utah, Sept. 26.—With the slogan 'Liquor Regulation as Opposed to State-Wide Prohibition Favored by the Democrats,' the Republican state convention opened here today. Senator Reed Smoot was elected temporary chairman and spoke in favor of conservative regulation of the liquor traffic. He also reviewed the effects of the Payne tariff law, and declared that it had proved a benefit to the country.

The convention is practically "standpat," a few insurgents being in the field. Joseph Howell, congressman-at-large, will be renominated, it is believed.

PATTON AND SMITH CLOSE

Returns, With Only One Precinct Out Show Patton Is Elected by 36 Majority—Vote in the County, as a Whole, Shows the Anti-Assembly People Have a Good Majority—For Governor Their United Vote More Than 200 Over Assemblyites.

In Marion county the results a general victory for the Anti-assembly ticket. On governor the total anti-assembly vote was about 1,500 as against about 1,300 for Bowerman, but the vote was divided between three anti-assembly candidates. A. G. Steelhammer leads the legislative ticket and he was the most pronounced of all the anti-assembly leaders. Hofer stands next to Bowerman in Marion county and will probably lead Dimick in the state.

County Legislative Ticket. The returns which are practically all in, and those still out cannot change the results, shows the following winners: Senate. John A. Carson, assembly. Hal Patton, anti-assembly. Assembly. Carl Abrams, assembly. A. G. Steelhammer, anti-assembly. Geo. W. Johnson, anti-assembly. L. T. Reynolds, assembly. Jos. G. Fontaine, assembly.

For judges of the third judicial district, Percy R. Kelly, of Albany, and Deputy Attorney General I. H. Van Winkle received practically the unanimous vote for the Republican nomination, but Van Winkle ran slightly behind the ticket in this county.

ELECTION RESULTS IN MARION

Anti-Assembly Has Majority of Votes, But They Are Divided ---Senate Evenly Divided and Assembly Gets Three Out of Five.

lar; A. Eugene Aufrance appears to have received the highest vote for the Republican nomination as county recorder, over Allen H. Will, of Aurora, and A. E. Adkins; Joseph G. Moore, received a highly complimentary vote for re-nomination and re-election as county treasurer, without opposition; W. H. Goulet present incumbent received a like endorsement of his official record as county commissioner; B. B. Herrick Jr., for surveyor; A. M. Clough, for coroner, and Daniel Webster for justice of the peace for the Salem district, and the race between John H. Lewis and Chas. W. Yanke, for constable is very close. They are both Democrats but Yanke is running as an independent and has a slight advantage over "Uncle John" Lewis in the returns thus far.

PATTON OVER SMITH

According to the unofficial returns Hon. Hal D. Patton had defeated Dr. J. N. Smith for the nomination for state senator by 36 votes with Elkhorn to hear from. Those precincts had 34 registered votes and are strongly anti-assembly. "I have my hand on the back of the seat but have not sat down in it but expect to do so after November," said Mr. Patton to a reporter. "Of course, I am a republican and will support the entire republican ticket and it will be elected from top to bottom."

Result Sunday Night

With eight precincts to hear from the returns indicated last night on the state ticket are being borne out in Marion county. Bowerman, Hawley, Kay, Duniway and Crawford are leading strongly.

On the county ticket Allen has defeated Gehlar for Clerk, John A. Carson has been nominated for state senator and for the other senator the race is close between Hal D. Patton and Dr. J. N. Smith. Patton now having 1,359 and Smith 1,336. The legislative ticket will probably be Carl Abrams, A. G. Steelhammer, L. T. Reynolds, J. G. Fontaine and George W. Johnson. Eugene Aufrance is probably nominated for recorder.

No final figures are available as to Myers and West, here, but West is leading almost eight to one, and Godfrey will receive a good majority for the nomination as state printer on the Democratic ticket. The vote on the Republican state ticket is as follows:

For governor, Abraham 171, Bowerman, 1,326, Dimick 622, Hofer 648; representative in congress, Hawley 1,700, Mulkey, 1,070; secretary of state, Benson 1,737, Wingate 1,065; state treasurer, Hoyt 957, Kay 1,807; Justice of the

ANTIS WIN NOTABLE VICTORY

While the Assembly Gets Governor and One Congressman the Anti-Assembly Vote is the Larger and Wins the Legislature.

SUPREME COURT DIVIDED

Burnett, Assembly, and Moore, Anti, Nominated for Six-Year Term—McBride and Bean, both Anti, for Four-Year Term—Outside of Governor and Secretary of State, the Antis Carry the Principal Offices by Good Majorities.

The primary election in Oregon Saturday, while polling a tight vote, resulted in an overwhelming victory for the anti-assembly element of the Republican party. Bowerman and Hawley are practically the only victories that can be claimed for the assembly movement. On governor the anti-assembly votes were divided because certain elements among the direct primary leaders wanted it that way, and their motives are not yet fully disclosed.

Result of State Ticket. Jay Bowerman, for governor, assembly. F. W. Benson, secretary of state, assembly. T. B. Kay, state treasurer, anti-assembly. A. M. Crawford, attorney-general, anti-assembly. L. H. Alderman, superintendent of schools, assembly, no opposition. W. S. Duniway, state printer, anti-assembly. T. A. McBride and F. A. Moore non-political judiciary, for supreme court. Geo. H. Burnett, supreme judge, assembly.

GOVERNOR ACCUSED OF LAND FRAUD

IS INDICTED ALONG WITH A NUMBER OF PROMINENT BUSINESS MEN OF MUSKOGEE FOR FRAUDS OVER TOWN LOT SALES.

[UNITED PRESS LEASED WIRE.] McAlester, Okla., Sept. 26.—The trial of Governor C. N. Haskell, of Oklahoma, in connection with alleged town lot frauds in Muskogee was ordered to proceed today. Federal Judge Marshall overruled a motion on the part of the attorneys for the refiling of a demurrer. The judge considered the demurrer and overruled it some time ago. The motion for refiling it was brought on the ground of error in the court's reasons in this decision to overrule.

The indictment of Governor Haskell and a number of prominent business men in Muskogee in connection with the town lot frauds followed a hard fight by the United States district attorney. The actual trial of the case comes after a legal fight in which one set of indictments was thrown out on questions of procedure, another set obtained and the hearings on motions were granted, both of which were decided adversely to Haskell.

The frauds charged are in connection with the sale of land that has belonged to the Indians.

MAY NAME HAVENS FOR GOVERNOR

DEMOCRATS PLEASED WITH HIS GREAT SHOWING IN FIGHT FOR CONGRESS, MAY NOMINATE HIM INSTEAD OF GAYNOR, WHO WOULD DISRUPT PARTY.

[UNITED PRESS LEASED WIRE.] Rochester, N. Y., Sept. 26.—That Congressman Havens, who defeated George W. Aldridge, of Rochester, at the election to fill the vacancy caused by the death of Congressman Perkins, may be named for the governorship by the Democratic convention which meets here Thursday, is generally believed by the leaders who have already gathered.

The showing made by Havens in his own district is considered strong evidence of his popularity. Aldridge was the Republican leader of the county and his race for congress, ending in overwhelming defeat, was the first indication of Republican weakness in New York.

The Democratic leaders from western New York do not favor the nomination of Mayor Gaynor. His controversy with William R. Hearst will make his position as gubernatorial candidate one unpleasant for the party, it is agreed, and with the showing that Havens has made, it is
