THE FINEST OF MUSICAL COMEDIES

COLOR AND BEAUTY LEND ADDITIONAL CHARM TO HARMONY — CATCHY SONGS AND PRETTY GIRLS GALORE.

Of all the musical comedy successes which have been produced in recent years, no work of the kind has surpassed in popularity that of Hough, Adams and Howard's "A Stubborn Cinderella," which Chas. A. Goettler will present at the Grand Opera House on next Monday, October 3. The reasons for "A Stubborn Cinderella's" popularity are easily explained. In the first place, it differs widely from the usual musical comedy in that there is not a line from the beginning until the end which can be misconstrued. It is funny, but the fun is clean, there is not a line in which even the most captious could take offense. The other reason is in the music. There are more than 20 as charming musical numbers as have ever been given to a work of this kind. From the opening chorus until the finale there is a flow of melody that not only pleases the ear but is not easily forgotten. "A Stubborn Cinderella" is being presented with all the attention to detail that characterizes a Charles Goettler production. The scenery, properties and effects are all new and the costumes are gorgeous in their beauty.

RIOTING FOLLOWS ATTEMPT TO MOVE CHOLERA PATIENTS

[UNITED PRESS LEADED WIRE.] Naples, Sept. 30.—Serious rioting occurred today when several hundred carabinieri, assisted by the authorities in isolating cholera patients, clashed with the populace. The rioting was general, almost every attempt to remove patients being met with stubborn resistance.

In the lower parts of the city mobs of several hundred persons formed and attacked the soldiers with knives, clubs and stones. The fighting was spirited. Many were injured.

It was officially announced today that 12 deaths from cholera had occurred in Naples since noon yesterday.

PRODUCTS OF STATE WORTH \$115,000,000

SAYS IT WASN'T A BRIBE, BUT HE UNDERSTOOD IT WAS JUST FOR CAMPAIGN PURPOSES, AND NOT TO BUY HIS VOTE.

[UNITED PRESS LEADED WIRE.] Portland, Or., Sept. 30.—Dr. Jas. Withycombe, director of the Oregon experiment station, has just completed an estimate of the value of agricultural products for the year 1910. His figures show that the total amount will be \$115,000,000. This, when compared to the population of the state, which is estimated to be in the neighborhood of 725,000, is considered high.

Dr. Withycombe sent his report to the Portland Commercial Club today. His estimate places live stock at the top of the list, total value for the year being \$25,000,000. Then follow dairy products, wheat and feed.

RADICAL PLATFORM A MISTAKE

THEODORE IN FIGHTING FOR A GREAT PRINCIPLE DISCOVERS IT IS NOT SO GREAT AS THE NEED FOR THE OTHER SIDE'S VOTES.

[UNITED PRESS LEADED WIRE.] New York, Sept. 30.—Friends of Colonel Roosevelt today asserted that he was greatly disappointed over the adoption of the tariff plank by the Republican state convention at Saratoga and endeavored to have the platform accord more with his personal views, but found the leaders opposed to any tariff strictures. It is claimed that Roosevelt acquiesced in the plank endorsing the Payne tariff rather than take chances of imperiling the party in November. It is reported that the colonel asserted that a radical platform in New York was a mistaken plan.

SEARCHING FOR A CANDIDATE

(Continued from Page 4.)

The platform, adopted without division pledges the democracy to the 'old nationalism; condemns any attacks on the supreme court of the United States and reaffirms the principles of states' rights; denounces the national extravagance of the tariff, which is characterized as a "breach of promise."

The primary plank says: "We declare for state wide, primaries, ensuring to the people the right to select all members of political organizations, state and federal offices."

The income tax, parcels post and direct election of United States senators are advocated. The platform continues:

"We solemnly declare our inflexible opposition to the new nationalism and the inventor who put it forward as if it were progress, whereas it is in reality sheer reaction to the tyrannical methods long ago shaken off by the free peoples of the world."

"The settlers of this country fled from Europe to escape it. Whatever advance its adoption may bring, it would be an advance toward socialism; it would have us abandon our freedom; would reduce the states to prefectures, governed from Washington, and would clothe the president with power to declare what is lawful and the power of that one person usurped perhaps by a great corporation."

"It would lay the hand of meddling bureaucracy on every industry, increasing taxation, making the struggle of life harder and compelling the American workman to carry on his back a federal inspector."

Following the adoption of the platform the convention adjourned until 8 o'clock tonight.

BARNES SAYS STAY WITH THE PARTY, ANYHOW

Albany, N. Y., Sept. 30.—William Barnes, Jr., in a newspaper editorial today urged the Republicans of New York to support the Republican state ticket nominated at the Saratoga convention.

"It was Colonel Roosevelt's convention," he says. Roosevelt made himself temporary chairman. Roosevelt dictated the platform and Roosevelt named the candidates."

RICE SURRENDERS AND GIVES BOND

New York, Sept. 30.—"George Rice," wanted in connection with the alleged Sheffels swindles, surrendered himself today to United States Commissioner Shields. His bail was fixed at \$25,000 and his examination was ordered held on October 5.

ALL MY PIMPLES GONE.

"I was ashamed of my face," writes Miss Minnie Pickard, of Altamahaw, N. C. "It was full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities.

The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.

D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25 cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.

SOLID FOOTWEAR FOR CHILDREN

There is an increasing demand for better shoes. That is perfectly natural. The best is always the cheapest; but the highest priced are not always the best. Our cash plan gives you the benefit of longer wear for less money.

There is a big lot of durability in our Blue Ribbon Shoes for Boys and Girls. They look neat and dressy, too. All we ask is that you try a pair now, at a time of the year when they are given the most severe test. The children ask for Buster Brown shoes until they are grown up and can no longer get them. We have them in Box Calf and Gun Metal—excellent leathers for school wear—in lace or button; also in kid and patent leathers for those who prefer something lighter and dressier.

Malicious Animal Magnetism —

There are few men and women who have not asked "What is malicious animal magnetism?" There are few who have not wondered whether they possessed this strange influence, or whether they were not victims of it in some form. Prof. Joseph Jastrow, of the University of Wisconsin, has studied M. A. M. from the standpoint of a psychologist. His conclusions are highly interesting, going back as they do to the root of Christian Science, and therefore to Mrs. Eddy. His discussion of the entire subject is one of the month's best magazine features.

You will also enjoy Judson C. Welliver's "The Collapse of the Taft Administration," and the articles and stories by Eugene Wood, Gouverneur Morris, Frederic Palmer, Edwin Balmer, William MacHarg, Hugh Johnson and others in
