

WEBB CASE SUBMITTED TO THE JURY

AFTER ELEVEN-DAY TRIAL THE INDICATIONS ARE THAT WEBB WILL NOT GET MORE THAN SECOND DEGREE MURDER AT MOST.

[UNITED PRESS LEASED WIRE.] Portland, Oct. 21.—The case of Jesse P. Webb, on trial for the murder of William A. Johnson at the New Grand Central Hotel June 20, went to the jury today. In delivering his charge Judge Morrow, of the circuit court, cautioned the jurymen to be careful in arriving at a verdict, owing to conflicting evidence that was introduced during the trial by various witnesses.

Apparently Webb's chances of escaping conviction of first degree murder were best when the jurymen left the court room to begin their review of testimony that has taken up the court's time for the last 11 days. The fact that both Webb and Johnson were both under the influence of liquor, was established by witnesses for the state and defense, and because they had quarreled over Mrs. Carrie Kirsch, who is charged with Johnson's murder also, is considered by Webb's attorneys as being a strong point in his favor. They asserted that Webb would not be convicted of murder in the first degree, although they admitted that the jury might return a verdict of murder in the second degree.

In his closing argument yesterday Attorney Seneca Fouts, for the defense, dwelt strongly on the infatuation of Webb for Mrs. Kersch as the real cause of the crime. He sought to convince the jury that Johnson's money was not the incentive for the murder.

The money, \$1800, was found in the possession of Mrs. Kersch, following their arrest after Johnson's body was found stuffed in a trunk at the union depot.

Grand Jury Called.

[UNITED PRESS LEASED WIRE.] Los Angeles, Calif., Oct. 21.—The investigation of the Times dynamiting case came to a climax today when Judge Walter Bordwell in the superior court ordered the summoning of a special grand jury. The venire will report Tuesday. While it was not officially announced that the action has to do directly with the investigation of the Times disaster, it is admitted that it will take up the matter of issuing indictments in connection with the affair.

SALEM WOMAN HAS FINE MINE IN JOSEPHINE

This morning Mr. W. D. McIntosh called at The Journal office and placed in the hands of the editor a beautiful gold nugget, weighing \$162, but, as he watched the door, it was given back. The nugget came from a placer mine near Golden, in Josephine county, and is owned and operated by a Salem woman, Mrs. Ruth Rubie, Mr. McIntosh having charge of the work. The mine has been operated for 30 years and is still a good producer. The nugget is of that peculiar light shade that is a "hall mark" of the "old channel," and is generally not only an indication of a good mine, but also of high-grade gold, it generally assaying about \$19, while the later placer gold runs from \$14 to \$18.

[UNITED PRESS LEASED WIRE.] Seattle, Wash., Oct. 21.—Mrs. Florence Struve, a member of one of California's most prominent families, has filed suit for divorce against her husband, Captain Harry K. Struve, whom she married in Manila nine years ago. The complaint charges that the husband deserted Mrs. Struve at San Francisco December 5, 1906, and refused to live with her again. On several occasions it is charged Captain Struve refused to receive or allow his wife to see him. Captain Struve yesterday filed his answer, admitting the marriage, but denying the allegation of desertion and asking that the action be dismissed.

[UNITED PRESS LEASED WIRE.] Portland, Ore., Oct. 21.—(Special)—Portland is growing so fast that the expense of running the city is increasing at a rapid rate as well. The budget for 1911, estimated by the various departments, will be 50 per cent higher than current expenditures during the present year. In actual figures the increase is \$1,169,102. Next year's budget amounts to \$3,248,411, while expenditures this year amounted to only \$2,074,209.

ITS RUNNING EXPENSES ARE INCREASING

NEW YORK TEAMS PLAY GREAT BALL

[UNITED PRESS LEASED WIRE.] New York, Oct. 21.—With the inter-city series standing Giants 3, Highlanders 2, and one tie game, today opened dreary and stormy, foreshadowing possible postponement of the game scheduled for this afternoon. It was announced that Ford would enter the box for the Americans, while Mathewson probably would go in for the Nationals.

EXHIBIT OF FRUIT PESTS AT APPLE SHOW

Portland, Ore., Oct. 21.—(Special)—Among the most interesting exhibits to be shown at the Oregon Apple Show, to be held at the Armory November 30 and December 1 and 2, will be a collection of insect pests and fungi against which the orchardist must wage a ceaseless warfare.

This exhibit will be made by the Oregon Agricultural College and competent "bugologists" will be on hand to explain the effects of the pests on fruit crops and the best means of combating them. Proper sprays will be shown and the approved methods of applying them demonstrated. The whole exhibit will be a mimic warfare on the enemies of the fruit grower and will not only prove of interest to the layman but of great value to the horticulturist.
