# CLEANING HOUSE FOR THE HOLIDAYS

Weather conditions have more or less affected some of our full lines--good merchandise that would have moved lively if the season had been more advanced--has continued to lag until it is now high time we begin cleaning the shelves of odds and ends to make room for the Holiday shipments that are on the way and we expect to arrive daily. Our merchandise man has visited every department, taking from the shelves new lines of fall merchandise, most desirable, as well as all broken lines, odd sizes, short lengths, etc., etc. This new, clean, staple and desirable merchandise must be cleaned out to allow our plans for the Holidays to take effect, and our large establishment to don its Holiday attire. SACRIFICE SALE--We have a farm that has to be sold, and sold right away; 120 acres of first-class land, only 2 miles from Capital Boulevard and 3 1/2 miles of business center. There is a good house and barn, fine water, place well fenced and cross-fenced, has about 5 acres of apples, three years old, in good condition. The main features about this place are the character of soil, price and location. The soil is as fine as can be found in the valley, being a rich, black loam; the price only \$107.50 per acre is cheaper by far than anything in the neighborhood. Nearby lands have sold from \$150 to \$200 per acre. In this case the owner has to sell and he has put the price down to where it will sell quick. Just think of getting 11 land so close to Salem and on good roads for such a price. This is the bargain of the year. See Bechtel & Bynon, 347 State street. 11-1-
