PREPARING MUNICIPAL A. SFERENCE LIBRARY

University of Oregon, Eugene Nov. 4 .- (Special)-A municipal reference library for use of city counclis and others who are interested in municipal government is being formed at the University of Oregon under the direction of F. G. Young of the economics department. The plan is to furnish reliable, impartial information and statistics upon all forms of municipal government, and problems involved therein, to every city and town in Oregon free of charge. Such subjects as commission form of government, municipal finance, civic improvement, education, police protection, and many other practical problems will receive attention. Data are being collected from all parts of the world and every effort will be made to make this department as complete as possible. Similar state libraries are now in existence in Wisconsin, Illinois and ney Pills. Although I have never Kansas with very satisfactory reused them myself, they have been sults.
