"IN THE SHADOW OF ST. JAMES"

Once more the Columbia Grand Stock company is to be with us and this time in entirely different plays. The opening production for Wednesday, November 23, will be "In the Shadow of St. James," a piece full of rich Irish humor, intermingled with deep pathos.

Father Whalen, as the parish priest, endeavors to untangle the knots that have arisen in the love affairs of his young friends.

His handling of the affair would give many politicians "pointers." He succeeds in setting everything right, but is never suspected by the young folks. All the members are

cast in congenial parts: Miss Scarth will display her vocal ability by singing "Mr. Rosary," as incidental music.

"Peaceful Valley" is the program for Thursday matinee and evening. This will be remembered as one of Sol Smith Russell's biggest successes and one that pleases all. Mr. Matthews, who proved so satisfactory in "Big Bill," will have a prominent role as Hosea Harve. The first act is a hotel in the mountains, affording a chance for the display of beautiful dresses. The full strength of the company is utilized and with unique scenic effects, a first class production is assured. A Thanksgiving matinee will be given of this play, which should prove popular, especially to the young folks, as but a moderate sum is to be charged.

THE WHOLE FAMILY IS MURDERED

FOUR BODIES FOUND IN CHARRED RUINS OF HOUSE—POSSE OUT WITH BLOOD-HOUNDS ON THE TRAIL OF THE MURDERERS.

Barnard, Mo., Nov. 21.—Four bodies found in the charred ruins of the Hubbell home near here today were identified as those of Ora Hubbell, 40, his wife and two children, Jesse, six, and Welton, four. All had been shot and the building burned to conceal the crime.

It is believed that Hubbell was called out of the house and shot down, as a pool of blood was found outside the building. His body was then dragged into the kitchen. Mrs. Hubbell was shot while trying to telephone for help.

Bloodhounds are on the trail of the murderers. No motive, save robbery, is ascribed for the crime.

NOW EVERYBODY BOOST FOR FAIR AT SAN FRANCISCO

WOULD BE OF IMMENSE BENEFIT TO OREGON IN BRINGING GREAT CROWD OF VISITORS, MANY OF WHOM WOULD STAY

Portland, Ore., Nov. 21.—Satisfied with having secured the second annual meeting of the Pacific Slope congress for Portland, for the second week in July, 1911, General Fred C. Smith and A. B. Manley, two of the four delegates to the congress from Portland have returned here. "I am enthusiastic over the work of the organization," said A. B. Manley. "One of the chief topics of conversation during our stay was the Panama-Pacific exposition in 1915. I do not believe that Portland has fully realized the benefits to accrue from holding this one on the coast. In financial benefits Portland will gain more out of it than San Francisco, when the cost is considered. Virtually 90 per cent of the people visiting the exposition from the East will visit Portland on their way out or back. I hope that the chamber of commerce and commercial club will help agitate for San Francisco." The Pacific Slope congress was held in San Francisco and adjourned last week after a very successful meeting.

Kansas Has 1,696,949.
Washington, Nov. 21.—The population of the state of Kansas was announced today as 1,696,949. This is an increase of 220,454, or 15 per cent over the census of 1900. The new figures entitle the state to one additional congressman.

The man who never has had time to make friends generally stands in sore need of them.

BASE BALL PLAYER IS GOVERNOR

JOHN K. TENER, ONE-TIME PITCHER FOR THE CHICAGO WHITE SOX, MAKES A HOME RUN FOR GOVERNORSHIP OF PENNSYLVANIA.

The heavy storm of rain and wind started Saturday afternoon and was a source of trouble for the telegraph, telephone and railroad companies throughout the northern portion of the state. The wind blew a gale all night and the weather bureau holds out no hope of abatement before tonight. No damage was reported in Tacoma as a result of the storm but all railroads entering the city are experiencing washouts and train are reaching the city several hours late today owing to slow orders calling for careful running to avoid possible washouts and slides. This rain, with the snow which has fallen during the last week is causing some apprehension on the part of the railroad officials.

At one time Tener was considered one of the best pitchers in the game. Under Captain Anson he was a member of the old invincible White Sox, and won many games for them through the cunning of his throwing arm. Tener does not figure in the records as the owner of the Boston club, but his interests are said to be represented by John Harris, president of the club. It is generally believed that Harris is merely a figurehead.

WILL SEND TROOPS TO THE BORDER

UNCLE SAM TAKING STEPS TO MAINTAIN THE NEUTRALITY LAWS AND PREVENT ARMED BODIES CROSSING INTO MEXICO.

Washington, Nov. 21.—Secretary of State Knox will ask the war department to order troops to preserve the neutrality treaty with Mexico, it was announced today. The state department constantly supplied with reports of the gathering of armed Mexicans on United States soil, whence they are crossing into Mexico, is alarmed. Advances were received today from Ambassador Wilson confirming the reports of outbreaks at Juarez and Puebla. The advices stated that apparently the Mexican government was in control in both towns. It is believed here that the liberal newspaper El Pais of Mexico City will be repressed as the result of stories printed which are considered incendiary in tone.

Consul Ellsworth at Ciudad porfirio Diaz telegraphed the department that the spirit of unrest along the border was general, and not very greatly exaggerated by the press reports. On receipt of this telegram, General Wood, chief of staff, ordered General Hoyt, commanding the Texas department of the army, to hold his troops in readiness for duty along the boundary line.

Proposals invited. Proposals invited for supplies for use of the Oregon State Penitentiary, for period of six months ending June 30, 1911.

Sealed proposals for groceries, drugs, drygoods, hardware, leather and findings, flour and meat, will be received at the office of the Superintendent of the State Penitentiary until Tuesday, December 20, at 11 o'clock a. m. at which time they will be publicly opened.

A deposit of \$200 in cash or certified check, payable to the Superintendent must accompany each bid for flour and meat, and all other bids must be accompanied by an amount equal to 10 per cent of the amount of the bid. Samples must accompany all bids where practicable. The right is reserved to reject any and all bids and to accept or reject any portion of a bid. Goods of Oregon manufacture or production will receive preference, other things being equal.

All goods and supplies must be delivered to the penitentiary within twenty (20) days after the contract is awarded, except on continuous contracts. Schedules of various lines of supplies to be bid on will be furnished upon application to the Superintendent.

Vouchers will be issued for payment on the first of the month following the completion of contract. C. W. JAMES, Superintendent, Oregon State Penitentiary, Salem, Oregon, November 21, 1910.

TWO INCHES OF RAIN IN 17 HOURS

HEAVY RAINFALL AND HIGH WINDS SWEEP WESTERN WASHINGTON—WIRES ARE DOWN AND TRAIN SERVICE BADLY HAMPERED.

Tacoma, Wash., Nov. 21.—According to the local weather bureau today all records for rainfall for 24 hours were broken Sunday, when nearly two inches fell in 17 hours. The heavy storm of rain and wind started Saturday afternoon and was a source of trouble for the telegraph, telephone and railroad companies throughout the northern portion of the state. The wind blew a gale all night and the weather bureau holds out no hope of abatement before tonight. No damage was reported in Tacoma as a result of the storm but all railroads entering the city are experiencing washouts and train are reaching the city several hours late today owing to slow orders calling for careful running to avoid possible washouts and slides. This rain, with the snow which has fallen during the last week is causing some apprehension on the part of the railroad officials.

STUDENTS MUST PAY STUDENT BODY FEE

In a business meeting of the student body of Willamette University, an amendment to the constitution providing that a student body fee of \$1.50 per semester should be levied upon each student and made compulsory for the purpose of carrying on student body enterprises was voted on and passed this morning. Heretofore there has been a fee of \$1.50, but the students did not seem to pay much attention to it and only a few paid the tax since it was not compulsory. According to this new amendment each student will pay the fee when he pays his tuition and it will bring into the treasury about \$1,200 a year for the supporting of athletics. The managers of the various athletic teams have always been embarrassed in regard to the guarantee which a visiting team demands, since he had no money to back him and the gate receipts were liable to fall below the guarantee. With \$1,200 each manager can arrange schedules and not be afraid of running short of money.

THE TRUE TEST.

Tried in Salem, It Has Stood the Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Salem. Kidney sufferers can hardly ask for stronger proof than the following:

W. C. Johnston, 1021 Mills street, Salem, Oregon, says: "About a year ago I had an attack of La Grippe and upon recovering, I found that my kidneys were disordered. I suffered from pains in the small of my back, especially severe at night, and when I arose in the morning I was very lame and sore. I became tired easily, felt languid nearly all the time and was also subject to headaches and dizzy spells. The kidney secretions were irregular in passage and otherwise unnatural. Doan's Kidney Pills were finally brought to my attention and I began their use. The contents of the first box gave me great relief and I am now in excellent health." (Statement given March 30, 1906.)

Three Years' Later.

On November 20, 1909, Mr. Johnston said: "The statement I gave for publication three years ago recommending Doan's Kidney Pills, was correct in every particular. I still think highly of this remedy." For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
