

THE SCHOOL FACILITIES TOO SMALL

IT IS SUGGESTED THAT BEZEMER BLOCK, IN EAST SALEM, BE PURCHASED AND AN 8-ROOM BUILDING ERECTED.

Recommending the retention for the present of the Bone property, as suggested by the taxpayers' meeting held last summer, in East Salem, and the purchase of the Besemer block, between Trade and Ferry streets, for \$2500, and the erection upon it of a school house of eight rooms, and similar to the Garfield and Englewood schools, Trustee Lafky, acting as a committee appointed by the school board to investigate and ascertain the wants of the people in East Salem relative to a school house there, submitted his report to the board at a meeting held Saturday evening.

There was in attendance at the meeting some 30 property owners who were interested in the subject, and many of them made speeches in favor of the adoption of the report. A motion for its adoption, however, failed for the lack of a second, and so did a motion for the purchase of the site recommended. As affairs now stand the school facilities for East Salem are just the same as they were before a movement was launched for the acquirement of a more central site, and the construction of a school house upon it.

Building Needed.
In support of the urgent need of the building the report calls attention to the crowded condition of all the school buildings, save the Englewood. It says that the maximum attendance of the schools is 2250 at 45 per room, and as 40 is a large attendance, the normal capacity in the grades is 2000. The report then shows that there is now an attendance of 1800, and that by the end of the year the school will be filled.

The school population, it further says, has increased enough in the past four years to fill one 8-room building per year, and says that there are now more than enough children in East Salem to fill six rooms, and, by another year, there will be enough for seven. It further states that the purchase of the site, and the building of a school house upon it, is the only agreeable solution to the people, and

that so far there has been no opposition to it.
Taxpayers Favored Purchase.
The report was in conformity to resolutions passed at a taxpayers' meeting held last summer, and expressed the sentiments contained in those resolutions. The board last spring purchased a school site between Court and Chemekeeta, but it, according to these resolutions, would not serve a fourth of the children as well as they are served by the Yew Park school, and it was in view of this fact that resolutions were passed asking that the old site be retained, but a new one acquired and a school house built upon it.

USUALLY ONE DOSE ENDS INDIGESTION OR DYSPEPSIA

As there is often some one in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after.

Tell your pharmacist to let you read the formula, plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes, and relieves at once such miseries as Belching of Gas, Eructations of sour, undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.

Some folks have tried so long to find relief from Indigestion and Dyspepsia or an out-of-order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intensifies, and, besides, poison the breath with nauseous odors. A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.

SUFFRAGETTES TO MAINTAIN LOBBY IN SALEM

Portland, Ore., Nov. 22.—Although woman suffrage was beaten at the recent election by a big majority, it was learned today that the Oregon equal suffrage association has started another petition for votes for women which will be presented to the state legislature when it meets in January. It is said that the suffragettes will maintain a strong lobby at the capitol during the session of the legislature and if the body refuses to give them a right to vote that another equal suffrage amendment will be presented at the next general election in 1912.

Mrs. Emma Smith Devoe, president of the Washington Equal Suffrage association, under whose leadership Washington's women secured the franchise recently, will invade Oregon at the head of a delegation of suffragettes with the view of assisting her Oregon sisters in their battle for the ballot.

ALL RUSSIA MOURNS FOR HER GREAT DEAD

St. Petersburg, Nov. 22.—Without ceremony and with no requiem to wait his soul across the Stygian stream, the body of Leo Tolstoy, count by birth but peasant by choice, was consigned to the grave at the count's estate near here today.

nobles attended the burial. Heading the cortege, which numbered 1,000, was a banner inscribed "Leo Nicholevitch, the memory of your goodness will never fade from the minds of us, your orphaned peasants."
Choruses composed of students chanted a funeral dirge.
Countess Tolstoy and other members of the family followed the coffin to the grave on foot.
The tomb is beneath Poverty Oak, where the peasants on Tolstoy's estate were accustomed to worship.

St. Petersburg, Nov. 22.—Greeted by thousands of weeping nobles and peasants, the body of Count Leo Tolstoy arrived at Saseka, near Yasnaya Poliana, today. As the flower-strewn coffin was borne past the sorrowing multitude, heads were bared and noble and peasant alike bowed in reverence until the cortege had passed.
The body was taken to the count's home, whence it will be buried. The funeral was scheduled to take place this afternoon.
Without pomp or ceremony of any sort the last sad rites will be held over the remains of the great Russian writer.

The action of the Greek church in refusing to perform the funeral rites after Tolstoy had declined a reconciliation was the cause of much unfavorable comment, and it was predicted that the affair would result in thousands deserting the church. Officials and members of the cabinet concurred in this belief.

J. P. MORGAN WORKS FOR INCREASED RATES

Washington, Nov. 2.—That J. P. Morgan & Company are actively engaged in pushing the campaign of the railroads to advance freight rates in Michigan was brought out by the testimony of Michigan furniture dealers at the hearing before the Interstate Commerce Commission today.

Attorney Lyon, representing the commission, asked the dealers if they were not testifying at the suggestion of George W. Perkins, partner of J. P. Morgan, and they admitted they were.
