> When the Saxons Came to Britain. It was, then, upon the day of Mercury, immediately following the Feast of Our Blessed Lord's Ascension, that I found myself upon the south bank of the river Thames, at the point wher it opens into a wide estuary. There is an island there named Thane , which was the spot chosen for the landfall of our visitors. Sure enough, I had no sooner ridden up than there was a great red ship, the first as it seems of three, coming in under full sail. The white horse, which is the ensign of these rovers, was hauging from her top-mast, and she appeared to be crowded with men. The sun was shining brightly. and the great scarlet ship, with
