KILLED BY SHOCK WHILE IN BATH TUL

[UNITED PRINK LHAMED WIRE.] Stockton, Cal., Dec. 12—Eckley Hall, a contractor, is dead at his home here as the result of an electric shock received while taking a bath. Hall was standing in the bath tub, it is believed, and reached up to turn on the electric light above his held. The water in the tub connecting with the discharge pipe formed a short cir-cuit, and the full 220 volts of the system was taken through his body. Death was instantaneous,
