

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

TROUBLE BREWING IN SPAIN

CLERICALS AND ANTIS AIDE CERTAIN TO CLASH WHEN GOVERNMENT UNDERTAKES TO FULFILL PLEDGES OF CHURCH REFORM.

(UNITED PRESS LEASED WIRE)

Madrid, Dec. 14.—(Via Headline).

Pressure to bring about vigorous action by Premier Canalejas against the clericals is growing stronger daily. It is predicted that as soon as the budget is out of the way the premier will attack the adherents of the church. It is expected that the budget will be shelved by the middle of January, and that the radicals then will insist upon the premier carrying out his pledges regarding church reform.

It is said that Canalejas has astonished even his opponents with his cleverness in holding off a crisis that must eventually be met. The premier has pleaded various causes for delay, the latest being a plea that he must reorganize the cabinet. The radicals, however, are insistent that a time limit be fixed and in the mean while the clericals are preparing for strife.

DESCRIBES CONDITIONS IN GERMANY

(UNITED PRESS LEASED WIRE)

London, Dec. 14.—An article on living conditions in Germany which

outlines in sickening details even "The Jungle" is printed today in the December number of the Contemporary Review. The treatise was written by Miss Smith Roscoe, who has made an exhaustive study of the conditions under which the poorer classes in Germany live.

The writer devotes special attention to a peculiar German instinct known as the Freibank—a sort of market for the poor. There only the near-destitute or permitted to buy, because at the Freibank only meat from diseased animals, made edible by certain processes of sterilization, more or less effective, is sold.

Conditions are rapidly becoming worse, Miss Roscoe says. She blames the high tariff duties levied on incoming cattle and hogs.

FINANCIAL CONDITION IS SPLENDID

According to the semi-annual report of County Clerk Allen the total resources of the county amount to \$267,815.89, and there are now funds in the hands of the county treasurer amounting to \$200,645.86.

These resources, in addition to the amount on hand in the treasurer's office, are summed up in the way of delinquent taxes extending from the year 1902 to the present. The delinquent tax for the year 1902 amounts to \$1,650.81, and from then on it ranges in the three and five thousand mark until 1908 is reached when it jumps into the ten thousand mark, the delinquent tax for that year being \$10,162.87. In 1908 it falls to \$4,903.81 and that for 1909 is \$38,024.17.

The claims allowed and paid during the period covered by the report amount to \$119,169.17, and the total amount of outstanding warrants for October 1, 1910, amounted to \$10,856.74.

Musical Recital.

Tonight in the University chapel at 8:15, the college of music under the direction of Dean F. S. Mendenhall will give its initial recital for this season. The variety of vocal and instrumental numbers which will be given, besides the new and attractive numbers by the Glee Club and Ladies' Club, will afford a delightful musical evening. All are cordially invited.

Boston, Mass., Dec. 14.—Colonel Roosevelt arrived here today to attend a meeting of the Harvard overseers this morning. He will deliver a lecture tonight at Harvard.

X-RAYS AND SMILES.

"A Broken Idol" is the play slated for next Monday at the Grand. This must not be mixed up with that "Weary Willy" production, "Broke and Idle."

Roosevelt regained his voice so he was able to talk, but not very strenuously Tuesday. Pinchot came out of the chronic ward at the same time.

The members of the city council, or a number of them shed their light, so to speak, on the Front street improvement matter Wednesday. They were trying to enlighten Judge Galloway.

"The Burgomaster" last night gave Dr. Scoville's flying machine the record for "low altitudes."

Mrs. Schneck's attorneys have advanced the theory that as Mrs. Schneck's great grandfather, grandmother, father and two sisters were insane, that she could not have tried to poison her husband if she did, is not responsible.

According to common report Front street had the same kind of paving that is said to be the favorite in Seoul—good intentions.

A Woman's Great Idea.

It is how to make herself attractive. But, without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a god-send to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion, good health. Try them. 50c at J. C. Perry's.

Bad Breath

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarella and after using them I can willingly and cheerfully say that they have entirely cured me. I therefore let you know that I shall recommend them to any one suffering from such troubles."—Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

Maple Grove Addition

Tillamook's Choice and Only Restricted Residence Section. Centrally Located

Ideal Home Site Improvements Guaranteed

CHOICE HOME PROPERTY AT FIRST HAND:

MAPLE GROVE ADDITION

Which I am now offering to the public is practically the LAST "CLOSE IN" TRACT of Tillamook City realty that it will be your opportunity to invest in at FIRST HANDS. This property is ideally located, and it should particularly appeal to the discriminating buyer. The time is now passing when such property investment as MAPLE GROVE ADDITION represents is slowly but surely passing to individual ownership and the price as a consequence of many transfers will materially advance on all lots sold to these individual purchasers. The time to BUY, and BUY RIGHT, is upon the introduction of any new property; and especially is this so if the property offered for sale has real merit.

MAPLE GROVE ADDITION

Has a genuine merit all its own. The location is highly and attractive; the price and terms on the lots in this addition are especially attractive; street improvements, water mains, electric lights and sidewalks are the improvements that go to make this property further attractive without extra cost to the purchaser. Taking everything into consideration, the real value of MAPLE GROVE LOTS is there, if there is value represented in any city realty whatever. The time is rapidly passing in Tillamook City when you can purchase yourself a choice lot from the FIRST plating of the tract; if you wait to buy from the other fellow you pay an additional price as a consequence of the delay. During a very few years Tillamook City is bound to double in population and business. With the completion of two railroads now building; the probable expenditure of a million and a half or two millions of dollars in harbor and bar improvements, and with the many projects being promoted and carried to their final perfection, you cannot make a mistake by investing in MAPLE GROVE, or, for that matter, any other Tillamook realty, if you buy right. Don't put off getting in on the ground floor, and be forever regretting the opportunity that is now yours.
