WILL CHANGE OFFICERS OF MERGED ADS

(UNITED PRESS LEASED WIRE.)
Portland, Dec. 14.—The president of the O. R. & N. will be sent jurisdiction over the North East Idaho Northern and other roads, which, by the recent merger, came to be units of the Oregon, Washington Railroad & Navigation Company.
It was expected that an official order to this effect would be issued by J. C. Stubbs, director of traffic of the Harriman system at Washington today.
The re-appointment of the present officers for the new company indicates that there will be practically no change in the staffs in the various departments.
The permanent organization of the Oregon, Washington Railroad & Navigation Company likely will be effected next week. J. P. O'Brien, who was made vice-president of the company and general manager of the system. It is not known who is slated for the presidency, but probably some high official of the East will be appointed. Julius Kruttschnitt and Judge Lovett are mentioned in this connection.

GLEE CLUB TONIGHT AT WILLAMETTE

The first musical recital of the school year will occur in the University chapel tonight.
The Young Men's Glee Club, representing about 20 well trained voices will participate in the program and there will be one or two numbers from the Young Ladies' Choral Club.
Miss Erma Shumway, Willamette's songbird, will sing and Hallic Stuckey and Joy Turner will play. These are a few of the numbers on the program tonight.
Professor Mendenhall has charge of the piano department and the glee club, while Mrs. Mendenhall trains the vocal department. It is probable that Mrs. Mendenhall will sing tonight. The general public is invited to attend these recitals, and they are always well attended.

For the Woman That's Fat.
A Detroit physician says that the cheapest and safest mixture a fat woman who wants to get thin can use is 1/2 ounce Marmala (get it in the original 1/2-ounce package), 1/2 ounce Fluid Extract Cascara Aromatic and 3 1/4 ounces Peppermint Water. The proper amount to take is a teaspoonful after meals and at bedtime.
These ingredients may be obtained from any druggist at small cost, and make a combination that is not only excellent as a fat reducer, being able, it is claimed, to take off a pound a day without causing wrinkles, but is also a splendid help to the system as a whole, regulating the stomach and bowels (where the fat person's troubles begin), and clearing the skin of pimples and blotches. No exercise is required to help the remedy in its work, and, best of all, no dieting is necessary while taking it—you can eat what you like.

The greatest danger from influenza is of its resulting in pneumonia. This can be obviated by using Chamberlain's Cough Remedy, as it not only cures influenza, but counteracts any tendency of the disease towards pneumonia. Sold by all dealers.
