Latest picture of Louis Lachmund, Salem's progressive Mayor.

Louis Lachmund, the mayor elect of the Capital City was accorded the unusual honor of a nomination by both parties and practically unanimous vote of all his constituents. He is a hop grower, and a fruit grower and land owner in Marion County, and has grown up to manhood in the city of Salem. His only public office heretofore has been that of Alderman for the Second Ward, in which capacity he distinguished himself by fearlessly championing business administrations. Mr. Lachmund as mayor will stand distinctively and aggressively for progressive policies and anti-graft attitude in dealing with every detail of City Government.

BITULITHIC STREETS
(Continued from page 1.)

Company has earned the reputation here of doing superior work in every way, and doing it with all possible dispatch. It has been the experience of those in charge of the pavement of the city's streets that this company lays its pavements more rapidly than any other company, and, because of it, the public has been little inconvenienced by having the streets torn up and put out of commission during the time they were being paved.

**SHOT THROUGH BODY
GIVES BIRTH TO BABY**

(UNITED PRESS LEASED WIRE)
Portland, Ore., Jan. 2.—Wounded

by a stray bullet which crashed through a window and penetrated her side while she lay in bed New Year's night, Mrs. Frank Perry, wife of a peddler, was removed to the Good Samaritan hospital, where she gave birth to a nine-pound baby girl two hours later.

News of the event and accident in the Perry family became known today when the police were asked to find the reveler who fired the shot that nearly ended the mother's life. At the hospital, this afternoon, it was stated that the mother and baby were doing well and that Mrs. Perry would recover.

The bullet went completely through her body and by merest chance missed the vital organs.

**YOUNG COUPLE WHO WERE TO
HAVE BEEN MARRIED YESTER-
DAY ARE FOUND DEAD—
SEATED SIDE BY SIDE IN THE
GIRL'S HOME.**

(UNITED PRESS LEASED WIRE)
Cumberland, Md., Jan. 2.—Believing that Grace Eilers and Charles Twigg were murdered, the police today began an investigation of the death of the couple who were found mysteriously dead, seated side by side on a sofa in the girl's home here Saturday night.

The investigation so far shows that death was due to cyanide poisoning, and it is believed that the poison had been injected into chewing gum, some of which was found in Twigg's mouth. The couple were to have been married yesterday. The police do not believe that the case was suicide, and are trying to find some motive that will give them a clue to the person whom, they believe, poisoned the gum that Twigg carried.

Senator Patton Married.

At the Patton home on Court street, Sunday morning at 7 o'clock Senator Hal D. Patton, of this city, was united in marriage to Miss Nellie M. Lucia, of Portland. The wedding was performed by Rev. P. S. Knight, using a brief and simple ring ceremony, in the presence of Mr. and Mrs. E. C. Patton, and daughter, Luella May, and Mrs. Knight. A wedding breakfast was served to the bridal party by Mr. and Mrs. E. C. Patton, brother of the groom, and they departed for British Columbia via the Southern Pacific, and will return to Salem next Saturday. They will make their home in apartments fitted up for them in the old family residence on Court street where they will be at home to their friends. Senator Patton is one of the most popular and successful business men in the state. His bride is a milliner who has worked in this city for several years, a woman of lovely disposition and many charms of character. Mr. and Mrs. Patton will receive the congratulations of every one who has ever formed their acquaintance.

Rebels Are Gathering in Arizona.
Huachuca, Ariz., Jan. 2.—With conditions improving in Western Chihuahua, Mexican insurgents are fleeing to the Sonora hills, according to reports received here today. Whether they are retreating or mobilizing to re-enter Mexico is not known.

The fact that the state of Sonora was left practically unprotected when troops were sent to Western Chihuahua, gives rise to the belief that an attack on Sonora is planned. Reports that rebels are coming together in Arizona for service in Sonora, as they did in the Big Bend district of Western Texas, are coming in frequently, and trouble is expected hourly on this side of the international border by insurgents who are now entering Mexico through the Huachuca mountains. United States troops are marching from here to the border today, and two troops are en route here from Prescott.
