

ARE FOLLOWING MURDERERS WITH HOUNDS

[UNITED PRESS LEASED WIRE.] Bellingham, Wash., Jan. 6.—The sheriffs of Whatcom and Skagit counties, with deputies and a pack of bloodhounds and at least 100 volunteers are scouring the foothills about Acme today searching for the two thugs who yesterday shot and killed Justice of the Peace A. A. Galbraith, and seriously wounded Manager W. B. Stevens of the Key City Logging company at Acme.

Immediately upon receipt of news yesterday afternoon that Galbraith had been killed, Sheriff Van Zandt, of Whatcom county and a posse of deputies left the city. They arrived at Acme a few hours later. Sheriff Stevens, of Skagit county and his deputies, with bloodhounds, drove from Sedro-Wolley wearing out two relays of horses in their forced journey.

At daybreak this morning the hounds took the trail at Acme and the man hunt commenced. The robbery that the thugs committed before the shooting is aiding the officers greatly. The men stole a case of shoes from a store near Acme. They were followed to the latter town by Stevens who called on Galbraith to arrest them, and when the Justice called on the thieves to halt, they opened fire, dropping both their pursuers. They then dropped everything and ran, and among the articles abandoned were their old shoes, which they had changed for new ones before reaching Acme. These cast off boots gave the hounds an excellent scent.

CHINKS WILL ALL CUT OFF THEIR QUEUES

[UNITED PRESS LEASED WIRE.] Victoria, B. C., Jan. 6.—Following close upon each other, the steamers Awa Maru of the Nippon Yusen Kaisha and R. M. S. Empress of Japan, of the Canadian Pacific, reached Victoria last night. The Empress brought a cargo of silk worth over \$2,000,000.

Advices were brought by the Empress that China is to shortly arrange a new loan of \$40,000,000 for the extension of the army and navy. The Hochi, of Tokio, says that China also intends to raise a loan in America for the opening up of Mongolia.

Military and naval officers have been ordered to dock their queues, following the passage of that bill by a majority of 103 to 18 in the Chinese house.

CLASSIFIED AD SECTION

STANDS TO REASON. One reason why the little classified ads. in The Capital Journal are so successful is that everybody knows they're offering good values, and a chance for a good advantage. People who expect to get an exorbitant price, or a high profit on their offerings, don't advertise in the Capital Journal. Fair profit for the seller, good value for the buyer, a square deal and a quick sale, are the watchwords in the market place of the Munnmakers. If you can't, or won't, offer a fair deal, keep out of the market-place. Whether you want to sell your services, skill and time, or whether you want to find boarders for your empty rooms—whether you are selling goods, or property or anything else—you'll find a quick deal and a square deal, by advertising your offers among the other live, busy, enterprising offers in The Capital Journal classified columns. Isn't it better to deal quickly and at a fair price than to do it some other way and spend a lot of valuable time and trouble to get an exorbitant price? Scores and hundreds of wide-awake people have proved the better advantage of the Munnmaker way.

Dear Mr. Munnmaker, Care of The Capital Journal Classified Columns. Through a little Munnmaker Classified Ad in The Capital Journal, I made a quick sale of my typewriter. Yours truly, A WRITER. Write Mr. Munnmaker, care of The Capital Journal, or phone him No. 82, whenever you want anything.
