

MR. PURDY EXPLAINS SITUATION

MAKES STATEMENT CONCERNING THE PROPOSED BRIDGES AT NEWBERG AND BUTTEVILLE.

Salem, Ore., Jan. 18, 1911. To the Editor of the Journal, Salem, Ore.

Dear Sir: Through your valuable paper I wish to explain to the public a statement that was quoted or written in the Capital Journal of last evening. The Journal states that two delegations appeared before the county court of Marion county with reference to petitioning said court for them to co-operate with either Newberg or Butteville in the construction of a bridge and that the city of Newberg offered to contribute \$30,000 towards the construction thereof, if the said court would build the bridge at Newberg.

I wish to state flatly that these are not the facts, but it is a fact that a delegation came from Newberg and they did call on the county court, and for the purpose of seeing if the county court was "on the square" on their former agreement with me. I was present on this occasion and the court did not go into session, but quietly took one of the members of the Newberg delegation into another room and what was said, or what promises were made, I know not. My promise with the court for the Butteville bridge is, if I got a solid delegation from Marion county pledged to my Butteville bridge, that they would do nothing in any way, shape or form against my project. I wish further to say to the public that I have the signature of each one of the delegates of Marion county favoring the Butteville bridge. As to the thickly populated district and the benefit to be derived by Marion county if placed at Newberg, I can say that it is more thickly settled adjacent to the Butteville bridge; also it is on a direct route between Salem and Portland. With reference to the Butteville ferry not being a paying proposition, will state that Marion and Yamhill counties are paying \$1000 a year for a free ferry at Newberg and people travel that way to get free ferriage, but if the bridge is placed at Butteville, there will be no need for a ferry at Newberg.

Respectfully, TRI-COUNTY PUSH CLUB. By Will E. Purdy, President.

HIS BODY WAS HACKED TO PIECES

Chicago Jan. 19.—Hacked to pieces, the body of an unidentified Italian, found in an alley way here today, has given the police a mystery to solve. The victim, believed to have been a tailor, is thought by the police to have been slain by foreign garment workers for having "scabbed" in the strike which held on here for months.

The ferocity exhibited in the crime is almost unparalleled in police annals. With a short-handled axe, found beside the body, the victim had been chopped to bits. Blows of the weapon had sheared the flesh from the face and shoulder, the right arm and leg were severed and the trunk was split open. Beside the bloody ax lay a revolver with two chambers empty and marks all around showed that the victim had put up a tremendous struggle for his life.

Foley Kidney Pills

Are tonic in action, quick in results. A special medicine for all kidney and bladder disorders. Mary C. Abbott, Wolfboro, N. H., says: "I was afflicted with a bad case of rheumatism, due to uric acid that my kidneys failed to clear out of my blood. I was so lame in my feet, joints and back that it was agony for me to step. I used Foley Kidney Pills for three days when I was able to get up and move about and the pains were all gone. This great change in condition I owe to Foley's Kidney Pills and recommend them to any one suffering as I have." Red Cross Pharmacy.

BRINGS THE ORDERS. Easy to write a pulling Munnimaker ad. Just remember this. What brings the orders is not the name of your business. It's the thing you offer to sell, or the thing you offer to do. Don't say "Carpentering and General Repairing." Be specific. Think up the things that people need. Say, "I can make your front fence look respectable. Your satisfaction and self-respect will more than pay for what it costs you." "I can fix up your house so the weather won't get in. It won't cost much. Maybe only an hour's work or two." "That new kitchen shed, NOW is the time to plan it. Ring me up. There's a certain lot of good lumber in the market you can get much cheaper if you buy NOW." "Let me make those cellar stairs easy and SAFE for wife and your mother. A little cost and a big satisfaction to you." Same rule holds good in every other business. Make a definite offer of one thing the people want. That's what brings them to the telephone. That's what brings YOU the business.

How delicious were the pies of boyhood. No pies now ever taste so good. What's changed? The pies? No. It's you. You've lost the strong healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—Stomach, Liver, Kidneys, Bowels—Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. Fifty cents at J. C. Perry's.
