

THE CLIMAX TO REACH US ON FRIDAY

A STRONG PLAY WITH A STRONG COMPANY, IN THE CAST WILL BE THE ATTRACTION AT THE GRAND FRIDAY NEXT.

"The Climax" which will be presented at the Grand Opera House on Friday, January 27, is one of the greatest little stories of the heart that has ever told upon the stage.

It concerns four people. There is a girl who has a great voice, a young musician who has a great love for her, an old teacher who has a great love for both, and a young physician who wants the young woman for his wife.

How there came an awful blight upon the singer's ambition and how it was lifted is the story and it is related in a way that grips the heart. It has been well said it is a great play for those who love music, but it is a play for anyone who has a grain of sentiment in his or her makeup, and all of us have that much.

ATHLETICS AND OTHER THINGS AT WILLAMETTE

In an action of the student body of Willamette University some time ago, an amendment was proposed to the constitution containing the following: That the managers of the different athletic teams be elected by a board of electors, consisting of two of the faculty, two of the alumni and two of the "W" men.

The amendment will undoubtedly be passed by the student body. The position of manager is not being solicited very strongly by anyone at this time, though the election is not far off.

The baseball diamond is almost covered with clay, and with a little work it can be rolled and graded, and a splendid diamond will appear.

There promises to be a much better team this season than Willamette has had for many seasons. The team has two good pitchers slated, and there is good material for the other positions in school now.
