

THE LADY WAS NOT DOROTHY THE WANTED ONE

[UNITED PRESS LEASED WIRE] Spokane, Wash., Feb. 20.—The young woman held in the Sand Point hospital, suspected of being Dorothy Arnold the missing New York heiress, is neither Dorothy Arnold nor Dorothy Falk. This was positively stated by the Spokane police. Dora Falk has been seen in Spokane since the woman was arrested in Sand Point, police officers assert. The mysterious young woman who closely resembles Dora Falk, and in measure resembles Dorothy Arnold, denies any knowledge of either. She is familiar with New York, and appears to have traveled. It is alleged she has claimed to be a chum of Dora Falk, but this has not been verified. Her trunks bear the name plate "Mrs. E. D. Yenny," and a letter was found bearing the name of Mrs. L. A. Dillard, Post Falls, Idaho.

She is said to have signed her name as Dorothy Garico, and keeps asking when "father and John" are coming. She smiled and stared at the picture of George Gracom, Jr., alleged fiance of Dorothy Arnold. "Do you know any one at 586 Park Place, Brooklyn," she asked while being questioned.

The secured \$220 and a valuable gold watch and made their escape. Zeiser was found today. He was gagged and tied so securely that the wires cut into his flesh like a knife during the long night of agony. The man had beaten him terribly.

THEY OBJECT BUT IN Milder LANGUAGE

[UNITED PRESS LEASED WIRE] Sacramento, Cal., Feb. 20.—Instead of bitterly arraigning Japanese laborers in California, while protesting against the omission of the coolie clause in the new treaty with Japan, the assembly federal relations committee today reported a substi-

tute to Assemblyman Polstley's measure, urging President Taft to keep the bars up against Asiatic laborers.

"We make the same request, only in language at which nobody can take offense," said Chairman Freeman, of the committee, that has been putting the quietus on anti-Japanese resolutions.

[UNITED PRESS LEASED WIRE] Sacramento, Calif., Feb. 20.—Declaring that free admission of barley under the proposed Canadian reciprocity agreement will flood this country with a cheap stock and greatly impair the market for the California grain, the Merchants' Exchange of San Francisco, through its president, James Rolph, Jr., today asked the legislature to urge upon Washington the elimination of barley from the free list before the agreement with the Dominion is confirmed.

[UNITED PRESS LEASED WIRE] Seattle, Wash., Feb. 20.—Clarence D. THE BARRING OF MITCHELL CONDEMNED

[UNITED PRESS LEASED WIRE] Pittston, Pa., Feb. 20.—Resolutions condemning the action of the United Mine Workers' convention at Columbus, O., in barring its former president, John Mitchell, from membership, unless he severed his connection with the National Civic Federation, were adopted at a mass meeting of miners here today. QUININE DOESN'T CURE BAD COLDS

You will distinctly feel your cold breaking and all the Grippe symptoms leaving after taking the very first dose.

It is a positive fact that Pape's Cold Compound, taken every two hours, until three consecutive doses are taken, will end the Grippe and break up the most severe cold either in the head, chest, back, stomach or limbs.

It promptly relieves the most miserable neuralgia pains, headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, mucous catarrhal discharges, soreness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result of three years' research at a cost of more than \$50,000 and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless compound as directed, with the knowledge that there is no other medicine, made anywhere else in the world, which will cure your cold or end grippe misery as promptly and without any other assistance or bad after-effects as a 25 cent package of Pape's Cold Compound, which any druggist in the world can supply.

SENATOR CLARK'S WIFE HAS ATTACK OF APPENDICITIS

New York, Feb. 20.—Mrs. William A. Clark, the young wife of the former senator from Montana, was operated upon at Roosevelt hospital hospital today following an attack of appendicitis. The physicians announced that Mrs. Clark rallied splendidly from the shock and that an early recovery is expected.

Mrs. Clark reached the hospital last night but on account of her weakened condition the operation was postponed until today.

Mrs. Clark had just completed plans to throw open to society the \$9,000,000 palace her husband built for her on Fifth avenue when she was stricken with appendicitis.

Friends of the millionaire say that he is sick from apprehension and is keeping the news of the operation from their two young daughters.
