THE SCHOOLS THE TEACHERS AND THE LAWS

SOME INFORMATION CONCERNING EXAMINATIONS THAT IS WORTHY OF CAREFUL PERUSAL BY ALL WHO TAKE EXAMINATIONS.

County Superintendent Smith is in receipt of a communication from State Superintendent of Public Instruction Alderman dealing with the laws passed at the last session of the legislature in relation to education. The two laws discussed in the letter are the certification law and the supervision law. Under the latter law the county superintendent of a county having more than 60 school districts, shall appoint on or before June 1, four members of the county educational board, of which the county superintendent shall be chairman. On the first Monday in June this board will hold a meeting and divide the school districts of the county, save those of the first class, into supervisory districts, none of which shall contain less than 20 nor more than 50 school districts. The supervisors shall receive a salary of not less than \$100 per month.

Certificate Law.
The next teachers' examination will be held on June 21, 22, 23 and 24 and as there is no August examination those whose papers expire then should take the June examination. Under the present law the applicants must complete the subjects for a state certificate within three successive examinations. The regulations relative to the average to be made in the different subjects are as follows:

"Applicants for a one-year state certificate must make a general average of not less than 75 per cent and shall not fall below 60 per cent in any one of the following subjects: Arithmetic, civil government, geography, grammar, history, orthography, physical geography, reading, school law, theory and practice of teaching, and writing.

"Applicants for a five-year state certificate must make a general average of not less than 85 per cent and shall not fall below 70 per cent in any one of the following subjects: Writing, orthography, arithmetic, physiology, grammar, geography, theory and practice of teaching, reading, U. S. history, civil government, school law, psychology, American literature, algebra, physical geography, and composition. Twelve months' teaching experience is required for this paper. Applicants for a life state certificate must make a general average of not less than 85 per cent and shall not fall below 70 per cent in any one of the following subjects: Arithmetic, writing, orthography, reading, physiology, school law, civil government, grammar, geography, theory and practice of teaching, U. S. history, psychology, American literature, English literature, algebra, physical geography, plane geometry, botany, physics, bookkeeping, composition, general history, geology, and history of education. Six months' teaching experience is required for this paper.

"Applicants for primary five-year state certificate must make a general average of not less than 85 per cent and shall not fall below 70 per cent in any one of the following subjects: Methods in reading, methods in arithmetic, methods in language, methods in geography, theory and practice of teaching, writing, orthography, physiology, psychology, and in addition thereto shall write a thesis on an educational subject selected from a list prepared by the superintendent of public instruction. Twelve months' teaching experience is required for this paper which gives the applicant authority to teach only in the first, second and third grades.

"No examination in English classics will be required in the June examination on account of the lack of time for announcements and preparation. All examinations will be based upon the text-books adopted by the State Text-Book Commission."

SALOON MAN MURDERED IN BAKER COUNTY

[UNITED PRESS LEASED WIRE.]
Haines, Ore., March 1.—Sheriff Rand, of Baker county, and Sheriff Childers of Union are heading a posse today in close pursuit of a brace of highwaymen who shortly before midnight held up and robbed the stockman's exchange saloon, and killed Edward McCullough, the proprietor. The robbers first lined up several men who were in the place and relieved them of their valuables, then they demanded the contents of the cash drawer and on McCullough's refusal to comply with the request, one of them shot him down, killing him instantly.

Within two hours after the murder, Sheriff Rand with a posse and Sheriff Childers with bloodhounds were on the trail which led south. It is probable that the bandits will be captured.

Mistakes May Happen

to you,—as they do to everyone. If you eat too fast, do not masticate properly, or take food that does not agree with you, digestive derangements are almost sure to come, and indigestion generally leads to very serious physical troubles.

BEECHAM'S PILLS

relieve and cure indigestion. They have a quick and tonic action on the stomach and its nerves, and so they give direct aid to digestion. They carry away also the indigestible matter. With their use dyspepsia, hicoughs, bad taste, unpleasant breath and flatulence disappear. You should be careful and remember Beecham's Pills

Four Million Postals.

[UNITED PRESS LEASED WIRE.]
San Francisco, March 1.—With the idea of boosting California, 4,000,000 postals are on their way today to the four corners of the United States, inviting homeseekers and others to come west. James Horsburg, Jr., who had charge of the invitational campaign, said that postals had been sent out from nearly every city and town in the state.

A Dreadful Sight.

To H. J. Barnum, of Freeville, N. Y., was the fever sore that had plagued his life for years in spite of many remedies he tried. At last he used Bucklen's Arnica Salve and wrote: "It has healed with scarcely a scar left." Heals burns, boils, eczema, cuts, bruises, swellings, corns and piles like magic. Only 25c at J. C. Perry's.
