

# THE CALL FOR EXTRA SESSION

PROCLAMATION DOES NOT PREVENT EXTRA SESSION CONSIDERING ANY MATTERS IT MAY CHOOSE TO TAKE UP.

Washington, March 4.—Following is the text of President Taft's proclamation of today calling an extra session of congress for April 4:

## Farm Bargains

Fine fruit farm three miles from Salem on rock road. Good buildings, commanding one of the finest views in this part of the state. 15 acres Italian prunes, 4 acres Petite prunes, 9 acres Bartlett pears, 5 acres apples, 1 1/2 acres cherries, 1 1/2 acres English walnuts, all in fine bearing condition, 1 acre rhubarb, 12 acres fine timber, 40 acres in grain. There are two sets of buildings on this place, including a good prune dryer. Fine well and pumping plant run by gas engine. Owner wishes to leave the country on account of poor health and offers this fine farm for \$175 per acre which is \$25 per acre less than the actual value.

58 acres within 1/4 miles of the city limits, 50 acres under cultivation, balance pasture. On good rock road; black soil, level but well drained. Small house and barn, fair fences. Adjoining land is selling from \$175 to \$250 per acre, in order to make a quick turn, the owner offers this for only \$125 per acre. Terms. This place is three-fourths of a mile of carline and is a real bargain. Let us show it to you.

120 acres four miles east of Salem, all under cultivation; 20 acres in orchard. Good house and barn and all under good woven wire fences. The soil is a rich black loam and slightly rolling in character. This place lies in the heart of the best body of farm land in Oregon and for a short time may be bought at \$150 per acre.

reciprocal tariff with this nation; and "Whereas, a bill carrying into effect the said agreement passed the house but did not reach a vote in the senate, and

"Whereas, the agreement stipulates not only that the president of the United States will communicate to congress the conclusion reached and will recommend the adoption of such legislation as may be necessary on the part of the United States government to give effect to the proposed agreement but also that the governments of the two countries will use their utmost efforts to bring such changes by concurrent legislation at Washington and Ottawa; therefore

"I, William H. Taft, by virtue of the power in me vested by the constitution of the United States do hereby proclaim and declare that this extraordinary occasion requires the convening of both houses of congress at Washington on the fourth day of April, 1911, at 12 noon, to the end that they may consider and determine whether congress shall, by the necessary legislation, make the agreement operative.

"All persons entitled to act as members of the 62nd congress are requested to take notice of this proclamation.

(Signed) William H. Taft, President.  
P. C. Knox, Secretary of State.

The proclamation does not provide for preventing the extra session from considering anything it wishes. The Democrats are expected to apply for a try at revision of the tariff. Leaders in congress predict that the session will last all summer.

## CANADA IS CERTAIN TO RECIPROCATE

[UNITED PRESS LEASED WIRE.] Toronto, Ont., March 4.—"There will be no anti-reciprocity resolution introduced in the legislature," said James Whitney today. "There is no foundation for the statement in the evening papers that there had been difficulty in arriving at this conclusion. There are no two opinions in the government party on the subject, and there has been no delay in coming to this conclusion."

With Australia, Too. Melbourne, Aus., March 4.—Reciprocity with Canada is a policy taking practical shape in the commonwealth. A conference to discuss the whole question has been called, and it is expected that action in the direction desired by the commercial community, namely, closer trade relations with Canada, will result.

## TROUBLE BREWING AT CLE-ELUM

[UNITED PRESS LEASED WIRE.] Cle-Elum, Wash., March 4.—One hundred and thirty Italian and Slav miners, believed to be members of some secret society, were discharged by the Northwest Improvement company yesterday, and today they notified the company that if an attempt was made to open the mines without them they would fight.

The company attempted to hold out a portion of the miners' pay to apply it to an accident fund. The workers protested, with the result that they were given their pay checks.

Sheriff B. H. German, of Ellensburg, brought three deputies with him, and reinforced an extra force here. His posse is guarding the shaft today.

## PYRAMIDED ASSETS TO MAKE A SHOWING

[UNITED PRESS LEASED WIRE.] New York, March 4.—Startling evidence that the cash and assets of a dozen big New York financial institutions were manipulated, juggled and pyramided and freely used to hoodwink the state banking department was secured today from Joseph Robin, confessed bank wrecker, by District Attorney Whitman. Following the consultation Whitman announced that wholesale indictments would follow.

## Warning to Railroad Men.

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroading. Geo. E. Bell, 639 Third street, Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroading left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley's Kidney Pills and the first bottle made a wonderful improvement, and four bottles cured me completely. Since being cured I have recommended Foley's Kidney Pills to many of my railroad friends." Red Cross Pharmacy.
