Where Is Frank Crabtree

Mrs. L. A. Long of San Jose, California, is searching for her father, Frank Crabtree, and with the view of locating him has written Chief of Police Hamilton. Frank Crabtree is a printer and he left San Jose last August for Portland. From there he wrote his daughter that he was going to Salem and since then she has had no word from him and she is anxious about him. She says that he is about 55 years of age, his hair white, and about five feet and 10 inches in height.

W. O. Coll, a guard at the penitentiary at Columbus, Ohio, is anxious to locate the sons of his uncle, Cornelius Coll. Has Anybody Seen Rosy?

"Have you seen my girl in Salem since Christmas?" is the way that Mrs. B. B. Byrnes, of Montavilla, who is looking for her daughter begins her letter to Chief of Police Hamilton. Returned to Salem

After investigating the proposition thoroughly, he has taken a large block of their stock and will be one of the company indefinitely. Mr. Howe is assisting in furthering the company's interest here. His old-time friends are glad to see him back. Having come to Salem from the East in 1887 and lived here for many years he is well known and is looked upon as having made good in all of his undertakings, and is considered a good business man. Mr. Howe had charge of the U. M. C. company's business in the Northwest for five years. The above company has started their enterprise in the proper manner, having two large buildings erected and two more started last Monday. Mr. Howe is hopeful that the business men at Salem will support the good enterprise.

NO MORE DISTRESS FROM STOMACH OR INDIGESTION

If your meals don't fit comfortably, or you feel bloated after eating, and you believe it is the food which fills you; if what you eat lies like a lump of lead on your stomach, if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brash or a belching of gas, you can make up your mind that you need something to stop food fermentation and cure indigestion.

To make every bit of food you eat aid in the nourishment and strength of your body, you must rid your stomach of poisons, excessive acid and stomach gas, which sours your entire meal—interferes with digestion and causes so many sufferers of Dyspepsia, Sick Headache, Biliousness, Constipation, Griping, etc. Your case is no different—you are a stomach sufferer, though you may call it by some other name; your real ailment is that which you eat does not digest, but quickly ferments and sours, producing almost any unhealthy condition.

A case of Pape's Diapepsin will cost fifty cents at any pharmacy here, and will convince any stomach sufferer five minutes after taking a single dose that fermentation and sour stomach is causing the misery of indigestion.

No matter if you call your trouble Catarrh of the stomach, nervousness or gastritis, or by any other name—always remember that a certain cure is waiting at any drug store the moment you decide to begin its use.

Pape's Diapepsin will regulate any out-of-order stomach within five minutes, and digest promptly, without any fuss or discomfort, all of any kind of food you eat.

MRS. MARY PORTER LOGAN DIED THIS MORNING

Mrs. Mary Porter Logan died suddenly this morning at 1 o'clock at the home of her brother Judge Waldo and the funeral will be held tomorrow afternoon at 2:30 o'clock from the home of G. G. Brown, clerk of the state land board, and a nephew of the deceased.

Mrs. Logan was a daughter of the late Daniel Waldo and in her death the state loses another one of the heroic pioneers of 1843. Although but three years of age when she came across the plains, she clearly remembered some incidents of that adventurous journey. Save for a few years at Willamette University, she passed her girlhood on the old homestead in the Waldo Hills.

She was married to David Logan, son of the late Judge Stephen Logan, of Springfield, Illinois, on February 6 1862. He ranks as one of the most brilliant criminal lawyers in Oregon's early history, one of the incidents which brought him into prominence being the eloquent and able defense of Beal and Baker tried for the murder of Daniel Delaney. He died at his country home near McMinnville in 1875, leaving no children.

Of late years Mrs. Logan has made her home at Seattle where she owned considerable property. For the past two years she has been the guest of Judge William Waldo, of this city and with her death he remains the only surviving child of the pioneer settlers of the Waldo Hills. She was 70 years of age.

SAY DIAZ WOULD LEASE ISLANDS TO JAPS

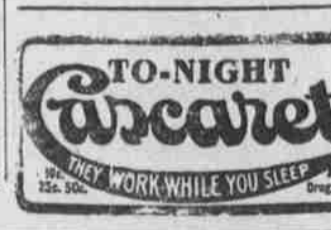

[UNITED PRESS LEASED WIRE.]

San Antonio, Tex., March 8.—Travelers returning from Mexico believe that the sudden mobilization of troops on the Mexican border is the result of information that Mexico is planning to cede or lease Magdalena harbor and its islands to Japan as a naval base. The harbor has been used as an American naval base. A financial agent of concerns having large holdings in Mexico pointed out this afternoon that when the Japanese fleet was in Mexican waters they were feted by President Diaz.
