MEXICO HAS SECRET TREATY WITH JAPAN

[UNITED PRESS LEASED WIRE.]
 Washington, March 17.—Despite denials by Baron Karino and Mexican officials, the belief prevailed today that there is a close understanding—whether secret or otherwise—between Mexico and Japan. It was pointed out by Minister Limantour in New York that a secret treaty was executed three years ago between Mexico and Japan, and it is believed here that the action of Mexico in granting to the Mikado ports of call for a new steamship line really means places for Japanese "coal piles."

Clergyman's Son Cured of Tuberculosis

To neglect a cold, bronchitis, lung trouble or consumption is dangerous. We all know how prone people are to deny they have consumption. It is a flattering disease, and the sufferer is filled with bright hopes of improvement. Call consumption by its own dread name—and then—take Eckman's Alternative, because it is effective in Tuberculosis. No one need doubt about it—there is plenty of evidence from live witnesses. Investigate the following:
 Amenia, N. Y.
 Gentlemen: "Prior to Feb. 1905, I was located in Rochester, N. Y., suffering with LaGrippe, which developed into Tuberculosis. My physician gave me one month to live. I was having terrible night sweats and mid-day chills and losing flesh rapidly, having gone from 155 to 135 lbs. I coughed and raised continually and became so weak that walking a few feet exhausted me. On my return home, my regular physician gave me little encouragement. My father, who is a clergyman, heard of Eckman's Alternative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually disappeared. After having taken 60 days I developed an appetite, the first in months. I am now in perfect health, back to 155 lbs. I feel certain that I owe my life to Eckman's Alternative."
 (Signed) E. H. COWLES.
 Gentlemen: "I cannot find words to express my appreciation of what your remedy has done for my son. It changed despair into hope within two weeks after he began taking it, and without any doubt in my mind, it saved his life. I wish to add my endorsement to every word of his testimonial."
 (Signed) REV. J. J. COWLES, Pastor Presbyterian Church.
 Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and J. C. PERRY, Salem Oregon.

CHINA GIRL IS A HUMAN GOLD BRICK

SKIPPED WITH A HATCHETMAN AND SOLD TO A MERCHANT SHE SKIPS AGAIN, AND WILL, NO DOUBT BE SOLD AND SKIP AGAIN.

[UNITED PRESS LEASED WIRE.]
 San Francisco, March 17.—The adventures of pretty Sing Yee, for whom Lew Chuck Sang, a wealthy Chinatown merchant, offered a reward of \$1000 after she fled with a fierce-eyed tongman, caused heart-break today to Tor Gat, an Oakland merchant. Sing Yee was "sold" to Tor Gat by her hatchetman admiral, and as soon as Tor paid the first deposit Sing and her master fled.

Tor Gat's offer of \$500 reward for the return of his charmer appears today in a local Chinese paper. He claims to have paid more than that amount for immunity from punishment by the tong invoked by Lew Chuck after Sing Yee's disappearance.

Oakland police and federal deputy marshals are said to have been asked to find the girl.
 It is suspected that Sing Yee in the guise of a "human gold brick" soon will be sold to another unsuspecting merchant.

EXTENSIVE LAND FRAUDS IN ALASKA

NINE MEN UNDER INDICTMENT IN CHICAGO IN WHAT IS KNOWN AS THE "FROST CASES" FOR ATTEMPTING TO DEFRAUD THE GOVERNMENT.

Washington, March 17.—That the so-called "Frost cases" constitute the most extensive land frauds in the history of the interior department was the statement today of Land Commissioner Fred Dennett.

Nine men are under indictment by the federal grand jury at Chicago. The men are charged with having planned to steal coal lands worth \$10,000,000. It is alleged they built a railroad connecting the lands with Alaskan markets and ports, and that they planned to float a multi-million stock company. American and Canadian capitalists are involved in the charges.

[UNITED PRESS LEASED WIRE.]

AN UP-TO-DATE DRUGGIST
 says it is surprising how many old-fashioned remedies are being used, which goes to show that it is hard to improve some of our grandmothers' old, time-tried remedies. For instance, for keeping the hair dark, soft and glossy, nothing equaling our grandmothers' "sage tea" has ever been discovered. Although, by the addition of sulphur and other ingredients, this old-fashioned brew has been made more effective as a scalp tonic and color restorer. Nowadays when our hair comes out or gets faded or gray, instead of going to the garden or parrot for herbs and making the "tea" ourselves, we simply go to the nearest drug store and ask for bottles of Wynth's Sage and Sulphur. This preparation is sold by all leading druggists for 75 cents and \$1 a bottle, or sent direct by the Wynth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

MAYORALTY CAMPAIGN GETS WARM

NEARLY HALF A MILLION VOTERS REGISTERED—LEADERS OF CHICAGO LABOR FEDERATION THROW THEIR INFLUENCE TO MERRIAM.

[UNITED PRESS LEASED WIRE.]
 Chicago, March 17.—The mayoralty campaign is waging hotter daily today money is being freely offered on the outcome, with odds in favor of Carter Harrison, but it will not be surprising if the odds switch soon.

The greatest sensation of the week was a charge made by Miss Margaret Haley, president of the Chicago Teachers' Federation, that a missionary from the Harrison campaign committee came to her and tried to bribe her to throw her influence on Harrison's side against Professor Merriam, the Republican candidate. Miss Haley declared she refused the alleged proposition and then succeeded in persuading the federation to pass resolutions endorsing Merriam. Though Harrison's committee has hotly denied the charge, it is having its effect politically.

John Fitzpatrick, president, and E. N. Nockels, secretary of the Chicago Federation of Labor, have declared for Merriam.
