## LOWENFELDT HAS OPENED A NEW STUDIO

IS ONE OF THE MOST EXPERT AND ARTISTIC PHOTOGRAPHERS ON THE COAST, AND HIS WORK IS PRAISED WHEREVER SEEN.

Richard Lowenfeldt, who has for a long time been known in Salem as an expert artist in taking photographic views and flashlights, has opened a studio in the Patton building over the postal card hall. He will continue to take views, but instead of home portraiture he has fitted up an artistic studio for doing portraiture work. He has a fine reception room, dressing room, a big operating room and a finishing room. The spacious operating room is equipped with an arc light, and the latest devices for doing up-to-date work. The time, day or evening, or character of the weather, does not effect his gallery, but portraits will be taken evenings only by pre-arrangement. Many people know the high artistic merit of Mr. Lowenfeldt's work, and they will be pleased as he is with the completeness of the equipment of his new studio. He has spared no expenses in procuring the finest lenses that money can buy, and has a splendid display of art photos on exhibit. Besides his portrait work at the gallery, which he is now in a position to execute and deliver promptly, he will continue to make views and take pictures of interiors and flashlights whenever called upon to do so.

## TO CELEBRATE AN IMPORTANT ANNIVERSARY

SIXTY-EIGHTH ANNIVERSARY OF THE FORMATION OF A PROVISIONAL GOVERNMENT FOR OREGON TO BE CELEBRATED AT CHAMPOEG TUESDAY.

The sixty-eighth anniversary of the establishment of a provisional government in Oregon will be celebrated at Champeog Tuesday, May 2, and as the celebration of this event has grown in favor each year among the people, it promises to be larger in attendance and more elaborate in program this year than ever before.

The celebration will be under the auspices of the F. X. Mathieu Cabin No. 12, Native Sons of Oregon, and which association is named after F. X. Mathieu, of Portland, now the only survivor of those who voted for the establishment of this provisional government. Hon. P. H. D'Arcy president of the Pioneers' Association, will be president of the day. The railroads have offered reduced rates for the occasion, and as 10 or more are needed from Salem to secure the rates from this place Mr. D'Arcy is anxious that all of those desiring to attend the celebration communicate with him.

There were two meetings that led up to the establishment of the provisional government. Ostensibly held for the purpose of having the people

## SALEM'S BALL SEASON OPENS SUNDAY MAY 7

MANAGER JERMAN RAISING FUNDS TO IMPROVE THE GROUNDS AND ERECT A GRAND STAND—WILL GIVE A STREET CONCERT PRECEDING EACH GAME.

Salem's baseball season will be formally opened Sunday, May 7, when the Salem and Dilworth Derby teams of the Willamette league cross bats at the new grounds, Twenty-fifth and State streets. This will be the first game since the league was newly organized, and a big crowd is expected to turn out to witness the first game and get a glimpse of the respective players.

On the same day the Piedmont Stars, of Portland, and the Dallas team, will meet at Dallas, and the Hubbard and Woodburn teams will play at Woodburn.

Manager Jerman is now seeking with which to improve the grounds and erect a grand stand.

The Salem band will give a concert on the streets preceding each game. John Hunt, of Woodburn, is president of the newly organized league; C. C. Harrison, of Portland, vice-president; Arch Jerman, of Salem, secretary, and A. B. Crittenden, of Hubbard, treasurer.

Silverton is not represented in the new league.

The street car boys' league, composed of several teams from the various car barns in Portland, and one team from the Salem car barns, probably will open their season about May 15. One of their first games will be with the Chemawa boys. Captain Fleming has prepared a schedule of six games to be played as follows: June 12, Salem vs. Piedmont, at Portland; June 19, Salem vs. O. W. P., at Salem; July 10, Salem vs. Savier, at Portland; July 17, Salem vs. Piedmont, at Salem; August 7, Salem vs. O. W. P., at Portland; August 14, Salem vs. Savier, at Salem.

Captain Fleming has a swell team and expects big things from the local boys before the season is ended.

### GRAY HAIRS BANISHED.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy and gradually restored the natural color. One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days on account of its souring quickly. This objection has been overcome and by asking almost any first-class druggist for Wyeth's Sage and Sulphur the public can get a superior preparation of sage, with the addition of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair but will also stop the hair from falling out and make it grow. It is sold by all druggists for 50c. and \$1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.
