THE BOXERS VICTORS IN CALIFORNIA

[UNITED PRESS LEASED WIRE.] Los Angeles, Cal., May 8.—The cases against Promoter T. J. McCarey, Ad Wolgast, George Memsic and Referee Charles Eytan, charged with having promoted and participated in a prize fight at Vernon on March 17, were thrown out of court this morning by Judge Willis. LONG-HAIRED LADY AT PERRY'S WILL TELL YOU

If you want to know what the Seven Sutherland Sisters' hair grower and scalp cleaner can do for the hair, take a look at the long-haired lady on exhibition in the window of Perry's drug store, and you will see a mass of as luxuriant and healthy hair as ever adorned the head of a woman. The exhibition is free—all it costs you is to take the look, and so is the consultation. The S. S. S. hair grower and scalp cleaner was discovered by Rev. Fletcher Sutherland, by experimenting on his own head. By its application he succeeded in raising a fine crop of hair, and then he applied it to the heads of his seven daughters, with the same success, and named it in honor of them. The lady with the long hair will tell you the story, and she will also tell you how you can raise a head of hair like hers, and remember it won't cost you a cent for the consultation. She will be on exhibition from 10 a. m. to 5 p. m.

INSURANCE INCREASES SUBSTANTIALLY EACH YEAR

Approximately \$212,000,000 of fire risks were written in the state of Oregon for the year 1910, by joint stock companies, according to a statement prepared by Insurance Commissioner Koser, and when compared with the risks written for the year previous—1909—it exceeds them by \$35,000,000, the risks for that year being \$177,000,000. The gross premiums received during the year 1910 were \$3,318,000 while those of the year 1909 were \$3,113,000. The losses paid for the year 1910 were \$1,126,000 and those for the year 1909, \$943,000. The statement does not include mutual insurance companies, and while the risks written by them are not so large, when secured and added they will increase the total number of risks written in the state considerably.

INCREASES ATTENDANCE BY PICTURES

Seattle, Wash., May 8.—Attempting to solve the problem of short church attendance, Rev. Sydney Strong introduced motion pictures at Queen Anne Congregational church last night. The church was packed and the experiment, if it holds continued success, may be adopted by other Seattle churches. Dr. Strong hopes, moreover, that educational effects will be fruitful. The first pictures shown were "The Life of Moses."

HOLD UPS CAUGHT AT VANCOUVER

Vancouver, Wash., May 8.—Over-taken by Sheriff Cressap and a deputy soon after they had held up a Capital Hill car, two highwaymen and the officers engaged in a revolver duel three miles north of Vancouver early today. None were injured. The robbers are being pursued by a posse.

The men secured only a few dollars from the conductor. The men wore blue polka dot handkerchiefs over their faces, similar to the disguise affected by the Los Angeles robbers whose activities in the California city have caused the police much uneasiness.

BUSH FIRES RAGING IN MINNESOTA

BUSH NEVER SO DRY AT THIS SEASON AS NO RAIN HAS FALLEN—IF WIND RAISES IT IS FEARED THE FIRES WILL SWEEP VAST TERRITORY.

[UNITED PRESS LEASED WIRE.] Williams, Minn., May 8.—Bush fires are raging to the north of here and settlers fear a repetition of the disastrous conflagration of last fall. The bush was never so dry as it is at the present time for no rain has fallen this year. The Rainy river is lower now than it was when the snow fell and conditions generally are ideal for the biggest fire in the history of New Ontario and Northern Minnesota.

This morning fires are within five miles of this town and coming this way. They are raging between here and Beaudette and also between here and Warroad. Few of the settlers slept last night fearing that at any moment the wind might rise, sweeping the flames down on their holdings.

USED STEAM IN FIGHTING CANNIBALS

[UNITED PRESS LEASED WIRE.] New York, May 8.—Tales of a fierce encounter with cannibals who attacked their vessel when it went on a reef off Womai Island, German East Africa, were told here today by the crew of the British steamship Kasanga. The cannibals, numbering about a thousand were repulsed by a broadside of steam and scalding water from the engine room hoses.

SHELDON WOULD HAVE CONFESSORIAL

[UNITED PRESS LEASED WIRE.] Topeka, Kan., May 8.—Declaration by Rev. Charles M. Sheldon, author of "In His Steps," that every Protestant pastor should have a confessional where the members of his flock could go to the pastor and pour their troubles into a willing ear is the subject of widespread debate here today. Sheldon said that the pastor in this way would be able to give much wholesome advice. He does not, however, contemplate the forgiveness of sin by the father confessor.

X-RAYS AND SMILES.

Governor West is in big demand and could not do all the social stunts required of him, if he had been born twins.

Sixteen fraternal organizations have already signified their intention of taking part in the big parade at Portland during the Rose Festival. A good many of them may have voted for Rushlight, but the Oregonian will overlook the fact that they are the riff raff "for that occasion."

In other words, "Give it a few more whirls."

That's the system worked upon by our friend—Sauvain.

was nominated by the riff raff, and suggests an independent candidate—who will of course be beaten by the same "riff raff." The horse editor is of the opinion that the "riff raff" who take enough interest in affairs to go to the polls and express their choice, are better citizens than the "holier than thou's" who do not vote but stay home—and kick.

If everything the Portland candidates have said about each other is true, they are all certainly in the undesirable class.

WELL DESERVED. The Praise That Comes from Thankful Salem People.

One kidney remedy never fails. Salem people rely on it. That remedy is Doan's Kidney Pills.

Salem testimony proves it always reliable. I. N. Ridgeway, 485 S. Twenty-second street, Salem, Oregon says: "For a long time I knew that my kidneys were disordered, as I suffered from pains in the small of my back. Especially severe when I stooped or lifted. I did not rest well and rose in the morning so lame and sore that I could hardly get about. I became tired easily, felt languid and was often very nervous. I was also subject to intense headaches and dizzy spells, during which my sight became blurred. Doan's Kidney Pills were finally brought to my attention and deciding to try them, I procured a box at Dr. Stone's Drug Store. They went once to the seat of my trouble and in a short time entirely relieved me. Doan's Kidney Pills have my highest endorsement." (Statement given March 28, 1906.)

After Three Years. On November 20, 1909, Mr. Ridgeway said: "The statement I gave for publication recommending Doan's Kidney Pills in 1906 was correct in every detail. I am always glad to

tell other kidney sufferers of this remedy.
