

WILL START REPAIR WORK NEXT MONDAY

BOARD DECIDED THIS MORNING TO BEGIN REPAIRING ASYLUM AT ONCE—CONVICTS WILL DO MUCH OF THE WORK.

At a meeting of the state board this morning it was decided to immediately repair the damage done to the south wing of the asylum by fire last evening, and Monday morning a crew of men will be at work tearing down the damaged portion of the structure, and clearing away the debris.

Section 2665 of Lord's Oregon Code provides that, before the state board can call upon the treasurer to draw a warrant to cover the amount of money necessary for the repair of the building that an appraisal must be made by a commissioner appointed by the governor. Governor West appointed State Architect Knighton to make the appraisal, and report back to the board, and he has entered upon the work.

The damage is roughly estimated at \$15,000, and it is predicted that the report of the architect will show that at least that amount of money will be necessary to repair the building. To make the repairs it will be necessary to create a deficiency, and it will be the first created under the present administration.

Most of the repair work on the institution will be done by convict labor.

The latest estimate of the damage says it will be below \$5000.

GUGGENHEIM PRESS BUREAU OVERWORKED

[UNITED PRESS LEASED WIRE] Seattle, Wash., May 13.—Local Alaskans are laughing at the reports sent out yesterday that the United Smelting Company is opening offices here to fight the Guggenheims for a share of Alaska development.

"The Guggenheims themselves are responsible for a lot of these reports," said one man today, who has been close to Alaska conditions. "They have but one object to arouse sympathy for the Guggenheims, and show them up as persecuted and in difficulty. Their press agent bureau is working over time, that's all."

THE GOVERNOR APPOINTS NEW COMMISSION

Governor West today appointed Mrs. Josephine Hirsch, of Portland; W. M. Pohlman, of Baker City; Professor F. G. Young, of Eugene; C. B. Watson, of Ashland; J. C. Stevens, of Portland, and B. F. Irvine, of Portland, as members of the State Conservation Commission, and in a few days he will advise them of their appointments.

In his letter advising them of their appointment the governor will suggest that a meeting of the commission be held soon, and that it effect an organization and enter actively upon its work. The terms of the old members of the commission expired some time ago.

INSURRECTOS WILL WIN SAYS THE OFFICER

San Francisco, May 13.—"There is no question that the Mexican insurrectos will win," said Lieutenant T. A. Trauger, Third Infantry, U. S. A., who is here today on his way from the Mexican border to Vancouver bar racks, Wash.

Lieutenant Trauger says many Americans have formed a wrong conception of the Mexican rebels.

"They are not a mob," he maintained. "They are better trained and better fighters than the Mexican federals. They cannot help but win."

The aeroplane may be a glowing success, but it hasn't yet got old Dublin beaten as a family favorite.

Stop Experimenting! Take a 'Cascaret'

Nearly All Our Ills Come Through Inactive Liver and Bowels. Millions of Folks Keep Feeling Good With Cascarets.

One must keep the bowels clean. Do it just the same as you keep your skin clean. Not by severe applications, applied at rare intervals. But by gentle and regular efforts. It pays immensely.

Many people dread physic. They think of castor oil of salts and cathartics. They shrink from the after-effects—griping and weakness. So they postpone the dose until they are costive or bilious. Then they do the cleaning in a heroic way. That is all wrong.

Cascarets are a gentle laxative. They are just as effective as anything else, and more natural. And they are pleasant—a candy. They are made to carry with you. Take one just as soon as you need it. You'll know. The result is your bowels are always active. You always feel at your best. Try a 10-cent box of Cascarets. You'll never again go without them.

Van Dyke Remains.

[UNITED PRESS LEASED WIRE] Princeton, N. J., May 13.—At the request of the trustees, Dr. Henry Van Dyke, who resigned last November as the Murray professor of English literature at Princeton university, has withdrawn his resignation and will return to the chair.
