GOVERNOR ISSUES HIS ULTIMATUM

SAYS WOODBURN CLUB MUST PROMISE NOT TO DISPENSE LIQUORS UNTIL SUIT IS SET-TLED-AND AS CLUB REFUSES WILL INSTRUCT DISTRICT AT-TORNEY TO ACT.

That the Bachelors' club, of Woodburn, must sign a statement agreeing that it will not dispense liquors to its members pending its litigation with the city of Woodburn, or that he would renew his instructions to District Attorney John H. McNary to proceed with a suit to annul the charter of the club was the ultimatum of Governor West to the club this morning, and as its representatives declined to sign the statement the governor will before the day is at an end direct the district attorney to proceed with the suit.

· Violated Promise.

When the governor at the request of citizens of Woodburn directed the district attorney in the first instance to begin such proceedings against the club certain representatives of the club held a conference with him with the result that he directed the district attorney on condition that the club would promise to dispense no liquors during the litigation with the city to hold the matter in abeyance until the cases were settled. Recently Jesse Moore an officer of the club, in a newspaper interview denied that the club had given the governor any such assurance, and to ascertain the truth of the matter the governor today called up representatives of the club and delivered the above ultimatum. The representatives of the club declined to accept its terms and the governor's answer was that he would direct the district attorney to proceed with the suit.

Must Enforce the Law.

Governor West takes the position that the dispensing of liquor by the club is against the law and that it is his duty to enforce the laws and not interpret them-no matter what they may be. The club in its articles of incorporation does not set forth that John C. Schulz, a well-known real one of its purposes is to dispense inestate dealer of Salem, died at his toxicating liquors, and the governor home, 1915 Fairmount Ave. at 9:30 holds that this amounts to a concealo'clock yesterday morning.
