'Cascarets' are best Laxative for Women

A Ten-Cent Box Keeps You Feeling Good for Months—No Headache, Indigestion, Foul Taste or Bad Breath.

All women need Cascarets. Simply because they don't exercise enough. They don't eat coarse food or enough fruit and green vegetables. These are nature's way of keeping the bowels active. But very few women employ them. The next best way is Cascarets.

Nearly all the minor ills of women can be avoided by Cascarets alone. There is no need to have headache, lame backs, depression, bad breath, bad complexion. The remedy is Cascarets. Not in large doses—unless you wait too long. The best way is one Cascaret at a time—just when you need it. One every day, perhaps.

It is simply a matter of keeping clean inside. You don't use soap in large quantities, and rarely. You use it frequently, regularly, just as you need it. Do the same with Cascarets. Then you are always well, always at your best. Keep a 10-cent box handy always.

COMMISSION MEETS TODAY.

(Continued from page 1.)

wild waving of arms, he plunged head-down the stairs. Now if he had been duly sober, this story might have been different, but the proverbial good judgment of an over-stimulated intellect was his. Instead of landing on his head, he butted into the fish commissioner's business, his head striking Kinney in his bread, or rather, fish basket, and he came like the aeroplane will here, making a great hit. Kinney doubled up like a two-foot rule, in three directions at once, and the gentleman hanging on to him in his flight, carried him to the bottom of the stairs, where being a gentleman, he allowed Kinney to land first—he lighting on top of him. The gentleman with the small load removed himself, while the remains of the fish commissioner were autographed down the Marion hotel and put to bed.

The fish commission is meeting today in Mr. Kinney's room at the Marion. If you are a Yankee, you can guess why.

Starts Much Trouble.

If all people knew that neglect of constipation would result in severe indigestion, yellow jaundice or virulent liver trouble they would soon take Dr. King's New Life Pills, and end it. It's the only safe way. Best for biliousness, headache, dyspepsia, chills and debility. 25 cents at J. C. Perry's.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, the grippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe it's the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50 or 1.00 bottle. Guaranteed by J. C. Perry.

A Father's Vengeance.

Would have fallen on any one who attacked the son of Peter Bondy of South Rockwood, Mich., but he was powerless before attacks of kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. Its best Kidney medicine I ever saw." Backache, Tired feeling, Nervousness, Loss of Appetite, warn of Kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware: Take Electric Bitters and be safe. Every bottle guaranteed. Fifty cents at J. C. Perry's.

The art of cooking a piece of best-steak is quite as "cultural" and a deal more necessary to the world, than the art of writing spring poems for the waste basket.
