Broke His Ear Drum.

Los Angeles, Cal., June 12.—Richard Bennett, actor, who is starring in "Pierre of the Plains" at a local theater, is suffering from a burst ear drum today sustained when his wife, Mabel Morrison, was called upon in the play to give the too-heavy French Canadian a resounding smack on the ear. In reality she is supposed to strike on the neck, but in the excitement she struck him upon the ear—the left one—and burst his ear drum.

Wide awake Captains, Lieutenants and Privates on the firing line of affairs know Western Union Day Letters and Night Letters as quick, sure, economical business ammunition.

These 50 word letters sent by telegraph are revolutionizing even modern business methods.

THE WESTERN UNION TELEGRAPH COMPANY

Cook with Gas

The present cheapness of gas makes it more popular than ever as a fuel. Cooking on hot summer days has always been the dread of every housewife. With a gas range summer cooking becomes a pleasure instead of a dreaded task. You will never know the great convenience of gas until you have tried it. Let us install gas in your home free. We have the New Process and New Idea gas ranges. Also hot plates to fit on any make of wood range, so as to make a convenient gas and wood stove combined.

Buy now and have the gas put in ready for the hot weather

EVERY STOVE GUARANTEED

MAY ROBERTS WILL BE HERE NEXT WEEK

CHARMING ACTRESS WILL PRESENT "THE REJUVENATION OF AUNT MARY," SUPPORTED BY A STRONG COMPANY.

There is no reasonable argument against success. Numerous conjectures explanatory and otherwise are advanced, but if one examines into the successful undertakings theatrically and commercially, we find that it is merit and effort, and not accidental. For instance "The Rejuvenation of Aunt Mary" as presented by May Robson is an illustration. Here we have a bright and particularly funny comedy presented by an unusually clever actress, the personality of an old maid—her first visit to New York and her experience ably illustrated by clever impersonation, hence merit and success.

Miss Robson duplicated this success in London at Terry's theater. An English audience is severely critical over American plays, but in this case the comedy is pure, bright and very funny and Miss Robson as "Aunt Mary" won immediate recognition; the freezing attitude of that British audience melted and Miss Robson was in the sunshine of popularity. She carried them with her with shouts of laughter, and the staid, dignified newspapers of London elated and even bubbled over Miss Robson's and her play, expressing their opinion that Miss Robson's characterization had not been equalled on an English player of recent years. Then follows a full revision of the play, a somewhat unusual proceeding of the English critics over a comedy production.

The theater going public was interested and Miss Robson's engagement was extended from three to eight weeks—merit was recognized and sustained.

Miss Robson, with the original company will appear at the Grand Opera House on Wednesday, June 21, presenting the play in the same cleverness and without a single change from the London production. Prices, \$1.50, \$1.00, 75c and 50c.

DONALD YOUNG IS BITTEN BY STRANGE DOG

Donald Young, the 3-year-old son of Mr. and Mrs. Clayton P. Young, was pounced upon yesterday afternoon by a large bird dog and severely bitten. It was feared for a while that it might prove fatal, but inquiries at the Clayton home this morning disclosed the fact that the boy was resting easily, and that unless complications should set in he will recover.

The boy, at the time, was in the alley at the rear of the Young home. The father was at work in his shop, and in the alley James Olmstead was repairing his automobile. The dog, which had been lingering about the neighborhood for several days, came along, and the boy put out his hand to pet it. He says that the dog snapped at the hand, and then leaped at his throat. The cries of the boy called the attention of Olmstead, and the animal then had the boy down with his teeth sunk clear through one cheek. Olmstead by the use of a wrench succeeded in driving the dog away, and the child was carried into the house and medical aid summoned.

In addition to suffering from the wound the boy is today suffering from a case of the chicken pox. A search is being made for the dog, but so far it has not been captured.

EXAMINING REFERENDUM PETITIONS

Now that disclosure of forgeries have been made with regard to the signatures on the petitions referring to the Oregon University appropriations, friends of the bill appropriating \$50,000 for the Monmouth Normal school, and also friends of the Malarkey public utility bill are beginning to take an interest in the petitions filed in these cases, and it may be that an investigation will also be prosecuted in both.

Already a slight investigation has been made as to the names on the petitions referring to the Monmouth appropriation. Slight as it has been it has been sufficient to disclose that there are forged signatures on the petition, but whether enough of them exist to invalidate it remains to be seen. No investigation, so far as can be learned, has been made with to the Malarkey bill. When the petition was filed in that case the legality of it was questioned, and it will not be surprising should friends of the measure attack it on that ground, and also on the ground that there are forgeries committed in the signing of the petitions.

FOLEY'S KIDNEY REMEDY

Is particularly recommended for chronic cases of kidney and bladder trouble. It tends to adjust and control the kidney and bladder action and is healing, strengthening and bracing. L. McConnell, 117 Catharna St., Elmira, N. Y., says: "Two bottles did the work most effectively, and proved to me beyond doubt it is the most reliable kidney medicine I have ever taken and it shall always have my endorsement."—Red Cross Pharmacy.

THE SCHOOL ATTENDANCE EXCEPTIONAL

Confident that the schools of this state excel in attendance those of any other state, State Superintendent of Public Instruction Alderman intends writing the state superintendent of every other state inviting them to compare the attendance of the schools of their states with that in this.

Linn and Lane counties, according to Alderman, are the banner counties in the state in the way of attendance. There are about 15 high schools in the two counties. In the former three years ago there was an attendance of 200 and now it is 800—an increase so remarkable in the judgment of the superintendent that he believes it exceeds that of any other state. Another remarkable feature about the schools in the state is that 80 per cent of the eight grade students become high school pupils. As a general rule the attendance begins to fall off when the high school stage is reached says the superintendent.

ARE TAKING A CENSUS OF THE TOWEL'S BUGS

Topeka, Kan., June 12.—Experts in the office of the state board of health went out last week and captured a number of roller towels that were being used in hotels in different parts of the state. They are now engaged in making a census of the different kinds of germs upon them.

From the result of the count of the bacterial population, Dr. S. J. Crumrine, secretary of the board, will make his recommendations to the board as to what action shall be taken. It is expected that he will recommend an order prohibiting the use of roller towels in public places. "Why," said Dr. Crumrine, "some of these towels are alive with germs, some good and some bad. Many skin diseases are spread in that way and the roller towel is responsible for nearly as many cases of tuberculosis as the common drinking cup."

NO MONEY FOR APPREHENSION OF CRIMINALS

As there was only an appropriation of \$1,000 made by the last legislature for reward purposes in the cases of apprehension of criminals, Governor West found himself unable to offer a reward for the apprehension of the fiend who murdered the Hill family in Milwaukee, but has advised the sheriff of the county that in the event the guilty party is arrested and convicted he will recommend to the legislature that a reward of \$2,500 be given for the Hill murderer and \$1,000 for the Griffith murderer.

Several months ago the McCulloch murder occurred in Baker county and the \$1,000 reward provided by the legislature was offered in that case. The governor is of the opinion that both the Hill and Griffith cases are of such an atrocious character that when called to the attention of the legislature it will undoubtedly make provision for the reward.

Notice of Intention to Improve Center Street

Notice is hereby given that the common council of the city of Salem, Oregon, deems it expedient and proposes to improve Center street, in the city of Salem, Oregon, with bituminous pavement, from the west line of Liberty street to the west line of the adjacent abutting property within said limits and according to the plans and specifications adopted for said improvement and on file at the office of the city recorder, which said plans and specifications are hereby referred to for a more specific and detailed description of said improvement, and are hereby made a part of this notice.

This notice is published for ten (10) days pursuant to the order of the common council and the date of the first publication thereof is the first day of June 1911. Remonstrances may be filed against said improvement within ten (10) days from the last publication of this notice and in the manner provided by the city charter.

CHAS. F. ELGIN, City Recorder.

Lightning Kills Few

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from violent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50 cents, at J. C. Perry's.

What a funny man Mr. Bryan is; he supposed platform promises were made to be kept.

Chamberlain's Stomach and Liver Tablets will brace up the nervous, banish sick headache, prevent despondency and invigorate the whole system. Sold by all dealers.

WOMEN MAY AVOID OPERATIONS

By taking Lydia E. Pinkham's Vegetable Compound

The following letter from Mrs. Orville Rock will prove how unwise it is for women to submit to the dangers of a surgical operation when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. She was four weeks in the hospital and came home suffering worse than before.

Here is her own statement.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement. I could not be on my feet for a long time. My physician treated me for seven months without much relief and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. Today I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise my friends who are afflicted with any female complaint to try it."—Mrs. ORVILLE ROCK, R. R. No. 5, Paw Paw, Michigan.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

For thirty years it has been the standard remedy for women's ills, and has positively restored the health of thousands of women. Why don't you try it?

NO MORE GRAY HAIR

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made and used a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair, and are fast following suit. The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur. As a scalp tonic and color restorer, this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers, and it can be bought for 50 cents and \$1 a bottle at almost any first-class drug store, or will be sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

J. C. PERRY, Salem Oregon.

TESTED AND PROVEN.

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Salem readers have seen the constant expression of praise for Doan's Kidney Pills, and heard about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

C. W. Hill, 1317 S. Commercial street, Salem Oregon, says: "Doan's Kidney Pills are by no means a new remedy to me, as I have used them off and on for years. I have always enjoyed fairly good health and about the only thing that has made me miserable has been kidney complaint and backache. I finally got Doan's Kidney Pills at Dr. Stone's drug store and their use entirely cured me. I am a firm believer in the merit of this remedy and am pleased to recommend it whenever an opportunity occurs."

The above statement was given January 21, 1906, and was confirmed on Nov. 22, 1909 by Mr. Hill. He said: "Since Doan's Kidney Pills cured me of kidney and bladder complaint, I have had no return attack." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Chamberlain's Cough Remedy is sold on a guarantee that if you are not satisfied after using two-thirds of a bottle according to directions, your money will be refunded. It is up to you to try. Sold by all dealers.
