A Skin of Beauty is a Joy Forever  
**DR. T. FELIX GOURAUD'S ORIENTAL CREAM OR MAGICAL BEAUTIFIER**

Removes Tan, Freckles, Pimples, Blackheads, Redness, Itchiness, and every blemish on the face, and restores the natural beauty and softness of the skin. It has shown the test of 25 years, and is so harmless we have no counter-indications. It is properly counteracted by no other cosmetic. Dr. L. A. Gourd's Cream is the best of all the skin preparations ever made by all chemists and Fancy Goods Dealers in the United States, Canada and Europe.  
FERD. T. HOPKINS, Prop., 37 Great Jones Street, New York.

## COMMITTEE RECOMMENDS BITULITHIC

Convinced after a thorough investigation of the subject that the excessive travel on East State street demands the laying of a hard surface pavement on that thoroughfare instead of a crushed rock, the committee on streets went on record in favor of the former last evening, and recommended that bitulithic be laid. It is the plan of the state to construct a boulevard connecting the penitentiary and the asylum if this street is paved, and that will mean much travel on the street and in the judgment of the committee, makes it imperative that a hard surface pavement be laid. The committee stated in its report that a crushed rock pavement would never stand the wear and tear of the travel and then besides for the sake of uniformity that this portion of the street should be paved with bitulithic as the remainder of it is so paved. The committee also gave it its opinion that a sufficient remonstrance would be filed against a crushed rock pavement. It recommended that the property owners initiate a movement in favor of bitulithic. Much depends upon the carrying out of the improvement of this street as Governor West announced yesterday that unless the street was paved the state would not build the boulevard connecting the state prison and asylum, park the grounds, or make other improvements which, in addition to putting money in circulation in the city, means vastly much in the way of handsome improvements.

## MUST CITY PAY FOR THE BRIDGES?

CITY ATTORNEY HOLDS THAT THE CITY AND NOT THE MILL COMPANY MUST PAY THE BILLS FOR BRIDGING THE COMPANY'S MILL RACE.

Whether under the law it is incumbent upon the property owners or the Salem Flouring Mills to pay the cost of constructing crossings across the mill race was a problem which confronted the city council last evening and it was finally put into the hands of the street committee, the city attorney, a committee of property owners and their attorney for solution. Councilman White introduced a resolution asking that the cost be assessed to the Salem Flouring Mills—the owners of the race. The crossings involved are on Liberty and Division and Division and Commercial. Councilman White stated that the race was a valuable franchise and that the owners should pay for it and not the owners of property along the street. Councilman Lafky agreed with him, but stated that the city attorney in giving his opinion on the subject had stated that legally the assessment could not be made against the mill company but must be made against the property owners. With the view of arriving at some definite conclusion upon the subject the matter was referred as above indicated.

**SEATTLE MAN SHOT THOUGHT TO BE ACCIDENT**  
Seattle, Wash., June 13.—Allan Brooks, a wealthy rancher of Alcona, probably was fatally shot last evening. Deputy Sheriffs are looking for "Shorty" Wells, a dwarf, formerly with the Sells-Floto circus, whom Brooks alleged fired the shot. Wells was visiting with Brooks yesterday. Dr. H. C. McIntyre, of Auburn, who attended the injured man, thinks the shot was accidental.

**THIS MEANS A BOULEVARD THROUGH TO FAIR GROUNDS**  
When the city council last evening passed a resolution directing the

## HAS NO SUBSTITUTE ROYAL

**Absolutely Pure**  
The only baking powder made from Royal Grape Cream of Tartar  
**NO ALUM, NO LIME PHOSPHATE**

opening and widening of Seventeenth street from State street to the fair grounds, it took the initiatory step in the launching of a movement having for its object the construction of a boulevard to the fair grounds. The street is 60 feet wide for a considerable distance, and then it narrows to a width of 30 feet, and comes to an end without reaching the fair grounds. The street committee presented a resolution directing that the street be widened to at least a width of 50 feet, if not 60, and that it be opened clear to the fair grounds.

## STREET CAR BASEBALL TEAM WINS

**BEATS PIEDMONT BY SCORE OF 16 TO 2 ON THE MULTNOMAH GROUNDS AT PORTLAND MONDAY AFTERNOON.**

After playing several losing games this season, the baseball nine of the local street car company came into their own yesterday afternoon when they defeated the Piedmont division team by a score of 16 to 2, on the Multnomah grounds in Portland.

The battery for the Salem boys was Walker and Fleming. Walker pitched a splendid game, holding down the Piedmont swatters to three hits. Sixteen runs were garnered by the Salem boys, their ease in hitting the opposing pitcher and also several errors on the part of the Piedmont aggregation giving Salem the long end of the score. A big crowd witnessed the contest.

The street car company showed great regard for its employees in that it sent an observation car to the Oregon Electric depot in Portland to meet the ball players, carried them to the ball grounds, held the car until the game was over, returned them to the barns again where the boys enjoyed a shower bath, and then the observation car returned the bunch of players to the Jefferson-street depot where the boys boarded the car for Salem.

President B. S. Josselyn and Local Manager Page of the street car company, each have hung up a pennant this year, and the team at the top of the percentage column at the close of the season will have two pennants with which to adorn their club rooms.

The local team has been practicing hard of late and is now in good trim. They will meet the Oregon Water Power division team from Portland at 2:30 next Monday afternoon on the Salem league grounds.

These teams are now tied and it is expected a rattling good game will be put up next Monday by both teams.

**Salem Man Chosen**  
J. E. Godfrey, of Salem, was chosen grand master of the third veil, of the Grand Chapter Royal Arch Masons, at the annual assembly of that organization in the Masonic Temple in Portland yesterday.

### Build A Home

If you own a city lot I will build you a home after your own ideas, and furnish the money. Small amount down, balance easy monthly payments. This is your chance. Have money for about three homes. Write me location of your lot, and ask for particulars. Address "M. C. T." care Journal.

## BUSINESS MEN MEET TO-NIGHT

**F. W. GAINES WILL ADDRESS THE LEAGUE IN FURTHER DISCUSSION ON RAILROAD RATES.**

The regular monthly meeting of the Salem Business Men's League will be held tonight at the Board of Trade rooms at 8 o'clock. The discussion of railroad rates, which has the most importance to every shipper of this valley, will be continued tonight by a talk upon the subject, "The True Relief to the Oregon Shipper" by Mr. F. W. Gaines, a prominent railroad rate expert of many years standing. Mr. Gaines is the man who appeared before the railroad committees at the last session of the legislature, and who has worked up much interest on the subject on account of the vast amount of facts and figures which he has collected by a long and diligent study of railroads. Mr. Gaines has been a student of this subject for 15 years and has compiled many tables by which he promises to convince the Salem merchants, as well as all others who care to hear him, that the true relief to the Willamette Valley shipper is not so much a quibble over the long and short clause of the Interstate Commerce act as it is a direct move for the absolute reduction of all rates. By his tables and charts he promises to show the Salem merchants and Willamette Valley shippers that the railroads carrying to and from Willamette Valley points are making double on the investment what they are entitled to. He has many things of interest to the members of the Salem Business Men's League, and a large attendance is desired by the railroad rate committee of the league.

Many other matters of routine will be passed upon by the league.

## Forced Out Sale

Will continue by special permission until the 24th. The greatest bargain event in the history of Salem. A partial list of the great bargains we offer follows:
