 and gave the required bond. He was
 arrested Saturday at Grants Pass by
 Night Patrolman Whitlatch.

Supreme Court Opinions—
 In a decision rendered this after-
 noon in the case of the State, ex rel.,
 against Swigert, et al., the supreme
 court declared invalid the act passed
 by the last legislature providing for
 the appointment of a commission for
 the government of ports having a
 population of more than 100,000, and
 the old commissioners of the Port of
 Portland will retain their offices un-
 til further action is taken by the
 people.

The act was designed for the pur-
 pose of putting the old commission
 out of business, but the members de-
 clined to surrender, holding the act
 invalid. The supreme court held that
 under the amendment to the constitu-
 tion passed by the people in 1906 cor-
 porations may be formed under the
 general laws, but not under special
 laws. It further held that the legis-
 lature shall not enact, amend or re-
 peal any charter for any city or town,
 and that, in view of this, the act was
 special, and that the legislature's at-
 tempt to amend it, invalid, as such
 act can only be done by the people.

Other Cases—
 The judgment of the circuit court
 of Umatilla county, in the case of
 Andrews against Donnelly, was re-
 versed, and the suit dismissed.
 An affirmation of the circuit court
 was made in the case of Templeton
 against Williams, from Clackamas
 county; and the judgment of the cir-
 cuit court of Tillamook county in the
 case of Anderson against the Miami
 Lumber company was also affirmed.
 A rehearing was granted in the
 case of Colgan against the city of
 Woodburn; and rehearing denied in
 the case of Winslow against Ruther-
 ford and Adams against McKenzie,
 all from the circuit court of this
 county.

**"Cascarets" Splendid
 For Elderly Folks**

The rule for old people is—One Cas-
 caret daily. The bowels, like
 other muscles, grow less ac-
 tive with age—They need
 help.

Most old people must give to the
 bowels some regular help, else they
 suffer from constipation. The condi-
 tion is perfectly natural. It is just
 as natural as it is for old people to
 walk slowly. For age is never so
 active as youth. The muscles are
 less elastic. And the bowels are
 muscles.

So all old people need Cascarets.
 And most of them need them daily.
 One might as well refuse to aid weak
 eyes with glasses as to neglect this
 gentle aid to weak bowels. The
 bowels must be kept active. This is
 important at all ages, but never so
 much as at sixty.

Age is not a time for harsh phys-
 ics. Youth may occasionally whip
 the bowels into activity but a lash can't
 be used every day. What the bowels
 of the old need is a gentle and nat-
 ural tonic. One that can be con-
 stantly used without harm. And
 there is no matter of choice here.
 The only such tonic is Cascarets and
 they cost only 10 cents per box.

FARE HAIR PREPARATIONS

Do Hair No Good, But Often Cause
 It to Fall Out.

Many hair preparations are "fake"
 because they are merely scalp irri-
 tants. They often cause a dryness,
 making the hair brittle, and, finally,
 lifeless. Dandruff is the cause of all
 trouble with hair. It is a germ dis-
 ease. The germ makes cuticle
 scales as it digs to the root of the
 hair, where it destroys the hair's
 vitality, causing it to fall out. To
 cure dandruff the germ must be
 killed. Destroy the cause, you re-
 move the effect. Newbro's Herpicide
 kills the dandruff germ, thereby
 leaving the hair to grow luxuriantly.
 Sold by leading druggists. Send 10
 cents in stamps for sample to The
 Herpicide Co., Detroit, Mich. One
 dollar bottles guaranteed. J. C. Per-
 ry, druggist.
