Pleasing Recital Last Night
One of the best piano recitals of the season was given by the pupils of Mrs. W. L. Ross at the First Presbyterian church last evening. All the numbers were given in a manner that was a credit to both pupils and instructor. Mrs. Carlton Smith assisted, singing in her usual charming manner.

Team Ran Away
The team attached to the city street sweeper ran away at 8:30 this morning in the alley west of Commercial street, between State and Ferry streets. In trying to turn into Ferry street, the outfit collided with a buggy standing in front of Gilliam's stable, and the seat of the rig was badly battered. The horses were thrown to the sidewalk, but were uninjured. Driver Cooper was engaged in the alley when the team started and did not know of the accident until after the horses had been stopped.

Married This Morning
A pretty wedding took place this morning at 9 o'clock, at St. Joseph's church, when Miss Agnes Girard became the wife of Mr. Bernard Zelinski, Rev. A. Moore performing the ceremony. The church was beautifully decorated with flowers, and only the relatives were present. Mr. Zelinski is a plumber with the firm of Theo. Barr. Mr. and Mrs. Zelinski left for a short trip to Portland.

Make Appointments
The State Board of Control today appointed Willard Blake, of Jone-water master for the water district comprising Gilliam and Morrow counties, and George Brewster water master for the district comprising Crook county. The latter resides at Three Sisters.

Thirty-three members of Chadwick Chapter No. 37, O. E. S., of Salem, visited Naomi chapter, No. 22, of Dallas last evening, where a reception was given in honor of Mrs. Hayter, of Dallas, and J. E. Godfrey, of Salem, newly-elected officers of the grand chapter. A splendid time was had, and the party returned on a special train about midnight.

DOCTORS
FAILED TO
HELP HER

Cured by Lydia E. Pinkham's Vegetable Compound

Pound, Wis.—"I am glad to announce that I have been cured of dyspepsia, indigestion, and female troubles by your medicine. I had been troubled with both for fourteen years and consulted different doctors, but failed to get any relief. After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I can say I am a well woman. I can't find words to express my thanks for the good your medicine has done me. You may publish this if you wish."
—Mrs. HERMAN SIETH, Pound, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

If you want special advice write Mrs. E. Pinkham, Lynn, Mass., for it. It is free and always helpful.

Miles Elected
B. J. Miles, the only announced candidate for the office of school director to succeed W. P. Babcock, was elected at yesterday's election and a meeting of the school board will be held this evening for the purpose of canvassing the vote. The canvass will probably show a scattering vote, as it is understood that names of unannounced candidates were written on the ballot, but the count last night showed Miles to be elected by a handsome vote.
