MEXICO MAY HAVE ANOTHER REVOLUTION

[UNITED PRESS LEASED WIRE.] Monterey, Mex., July 21.—Hundreds of former Maderistas today are joining the forces of the Magonistas, or Mexican Liberals who profess adherence to Socialism, throughout Coahuila, Durango and San Luis Potosi provinces according to messages received here today which declare a state of anarchy prevails. Telegrams from San Luis Potosi say that 300 Magonistas there attacked the homes of the Maderista faction and that a general riot resulted. Advice from many of the Mexican states declare that as a result of the presidential campaign in progress, the situation is critical and that open revolt may break out at any moment.

SAYS SHE HAD NO AFFECTIONS TO ALIENATE

The jury empaneled to try the case brought by Newton Rule against Fred Betchen, an action for the alienation of Mrs. Rule's affections from her husband, after deliberating over the evidence a little more than five hours yesterday afternoon, returned a verdict in favor of Betchen. Rule had Betchen arrested for the crime of adultery and was successful in bringing about his conviction. About the same time he had him arrested he filed a civil action against him asking for \$10,000 damages for the alienation of Mrs. Rule's affections. The principal witness for the defense was Mrs. Rule. According to her testimony she had had no affections for the last few years for her husband that Betchen or any one else could alienate, and the jury evidently also took this view of it and favored the defendant with a verdict. The law firm of Kaiser & Pogue represented the defendant.

MILLIONAIRE DIES FROM A BROKEN HEART

[UNITED PRESS LEASED WIRE.] San Francisco, July 21.—"Died of a broken heart" is the verdict here today of friends of L. A. McIntosh, one of the richest men of Northern California, who died in a hospital here last night of what the physicians declared was pneumonia. McIntosh, his friends say, practically grieved to death as the result of having been divorced from his wife. He was a resident of Chico, California, and had risen from a poor boy to the ownership of fabulously rich mines, his income from which was close to \$100,000 a month. Since his family troubles culminated in the divorce courts, McIntosh has gone steadily down the hill in health. He arrived here Monday, accompanied by a physician, and died last midnight.

WILL BUILD FIVE LINES OF RAILROAD

Having apparently for its object the construction of a series of short railroad lines to connect the factories and lime rock quarries of the Portland Cement & Lime company with the Southern Pacific Railroad company, Oregon-Washington Navigation & Railroad company and the Salem, Falls City & Western Railroad company, the Oswego, Dallas & Roseburg Railroad company today filed articles of incorporation with the secretary of state with a capital stock of \$250,000.

After setting out in the articles that the purpose of the corporation is to construct and maintain and operate railroad and telegraph companies the lines which the company intends to construct are specifically set out.

The first line will start at a point near the lime rock quarry of the Portland Cement and Lime company at Dallas and then run south until it connects with the Salem, Falls City & Western at Bridgeport.

The second line will have its starting point near the site of the factory of the Portland Cement and Lime company in Clackamas county and will extend north until it connects with the Southern Pacific railroad at Oswego.

The third line will have its initial point near the limestone quarry of the same company in sections 20 and 29, township 28, S. R. 5 W. W. M. and will connect with the Southern Pacific railroad at a point in Douglas county.

The fourth line will have its beginning at a point in section 32 and 33, township 3 N., R. 17 E. W. M. and will connect with the Oregon-Washington Railroad & Navigation company near Rufus Siding in Sherman county.

The fifth line is to begin at a point near the quarry of the cement company in township 6 S., R. 1 E. W. M. and will proceed west to the town of Mt. Angel.

The incorporators are Aman More, president of the Portland Cement and Lime company; W. A. Johnson and Lillian B. Powers, all of Portland. The principal office of the company will be maintained in that city.

WANTS DIVORCE GRANTED FORTY YEARS SET ASIDE

[UNITED PRESS LEASED WIRE.] New York, July 21.—Possibility that the cancellation of a decree of divorce granted 40 years ago to the late James Givernaud may take from his son, Charles L. Givernaud, of Los Angeles, both name and fortune, came today when Mrs. Josephine Givernaud, of Lyons, France, began suit in the New Jersey courts to that end.

Mrs. Givernaud declares that she wedded the dead Givernaud in 1869; that he deserted her in 1866; that he stole their joint savings of 40,000 francs, and that his divorce, procured in New Jersey in 1871, on the ground of desertion, is fraudulent and should be annulled. Givernaud, after his alleged desertion of his French wife, married in America, prospered and left \$500,000 to Charles L. Givernaud, of Los Angeles, his son by a second wife. This fortune the French wife now declares, should come to her and her children.

THE AUTOIST LEFT HIM WHERE AUTO THREW HIM

Medford, Or., July 21.—Struck by a speeding automobile at the foot of Queen Anne street, in Roosevelt avenue, John H. McLeod, foreman for a construction company, was knocked senseless yesterday and left lying at the side of the road where he had fallen, while the auto continued its journey.

It was ascertained that the number of the automobile was 1067. According to the 1910 automobile directory this number was held by Mrs. W. H. Evans, 1104 East Stark street, Portland, last year. Whether the listing has been changed in the new directory is not known by officers here.

The car struck McLeod in the back and hurled him away to one side of the road. Without stopping the car, the driver only sped the faster. A medical examination disclosed that McLeod had suffered serious injuries in the back and a broken arm. He has placed the matter in the hands of an attorney, who is making attempts to find the driver of the car.

PARKINSON NOT HEADED IN REFERENDUM CASE

That H. J. Parkinson, who headed the referendum movement against the appropriation bills for the Oregon University, will not be needed as a witness or as a party to the suits which will soon be filed to restrain the secretary of state from placing the title of the bills on the ballot because of fraud committed in the signing of the petitions was the announcement made yesterday afternoon by Judge Slater.

Parkinson left Portland sometime ago presumably for a visit with his mother in California, but advice received here indicate that he is instead at Chicago. Judge Slater says that he has found enough fraudulent signatures on the petitions to have them declared invalid, and that the suits will be filed now just as soon as he is able to obtain the names of all the parties he intends making plaintiffs.
