FOUNDED 1844

Opposite State Capitol

Standardized College of Liberal Arts.

School of Theology, Music, Law and Medicine. Visit grounds and buildings while at the State Fair.

## Salem Sewer Pipe

Manufactured in Salem.

The new kind. Not the old 7 sand to 1 cement mix that the clay opposition is talking so much about, but a process of 2 of sand to 1 of cement, machine tamped, 90 lb. blows and 400 strokes per minute. The kind of pipe that has broken the back bone of the old Terra Cotta Clay Trust. They are selling cheaper now, but would they if it had not been for a new process of much stronger materials.

COME AND SEE
