Have Negro Surrounded.

San Bernardino, Cal., Sept. 4.-A heavily armed posse to- + day is scouring the brush in the Cucamonga hills for a negro + answering in ever detail the de- 🕈 scription of the man who last + week brutally assaulted and + murdered Mrs. Melvina Has-kins, an aged resident of Compton, a suburb of Los Angeles Lieutenant David L, Adams, of the Los Angeles police depart- ment arrived at daybreak and
 is directing the search. The negro eluded his pursuers during the night, but they found
 the trail areas coole to the trail again early today.

The posse was reinforced this \*
morning by deputies from Rial-+ to and Colton,

### **FIREWORKS**

\*\*\*\*\*\*\*\*\*

NOTHING LIKE IT EVER SEEN IN THE NORTHWEST-IN MAGNI-TUDE AND BEAUTY IT IS SIM-PLY INDESCRIBABLE.

The fireworks at the fair ground last night drew a large crowd and it will draw a larger one tonight, and a still larger one Friday night, or whatever night the third display is made, if there is a third. More than that, it is safe to say that all Salem would get the habit and go every night for a month, if there was night under the personal direction The campaign for \$190,000 for quet, and send all these visitors home of W. H. Willson, who owns the big Willamette University is on. This is with all the enthusiastic determination factory in Los Angeles, where the the amount that the business men tion to make this campaign a winned" and sent out for use.

They were great!

They were magnificent! They were indescribably beauti-

From the first big bomb, that gave

A thousand involuntary ejaculapieces, there was such appreciation, applaud, in fact forgot the world, and lived for a brief spell in Fairy-

> The rockets were of infinite variety, and the big bombs lit the sky until it seemed but the purple central eve of an immense peacock feather. showing a brilliant shower of im-mense "soap bubbles" of all the col-ors of the rainbow, that floated gracefully for a moment, and then, like most beautiful things, went out

The set pieces were a revelation to Salem people, and, indeed to everyone. A gentleman from Chicago, sitting near the writer, said: "I have seen much larger dieplem have seen much larger displays of reworks, but never anything ever approaching this in beauty," and that about covered the case.

The fountain of amethysts and sapphires was just what it was named-and wonderfully beautiful. The horizontal bar performer, caught the crowd, especially the youngsters, who howled with delight

at the comic antics of the performer, who, a biaze of light, dld all kinds of double-jointed and comical stunt; The program was too long, leces too numerous, and the whole oo beautiful to even attempt to pic ture in words-but as one recalls it one is forced o mention the beau-tiful waterfall. It does not seem possible that for could be made to so nearly resemble its old enemy, water yet when out in the blg field
