## FIFTY NINTH OREGON ANNUAL CONFERENCE

ALL ARRANGEMENTS COMPLETED FOR THE BIG CONFERENCE AND 400 MINISTERS AND DELEGATES ARE EXPECTED TO BE IN ATTENDANCE.

Committees appointed to make arrangements for the fifty-ninth Oregon annual conference of the Methodist Episcopal church to be held in this city at the First Methodist church September 20-25, are now completing the details of their plans and when the convention swings into session on the morning of the first day, everything will be in readiness.

The conference will be attended by about 400 ministers and delegates, and arrangements are being made for accommodations for them at the hotels in the city and at private homes. Since the last convention here there has been established the Old People's Home, the Leslie Church in South Salem, and the Lee Mission church in North Salem, and these places will be visited and inspected by the delegates.

Dr. Avison, pastor of the First church, will likely be retained by the conference. He came to the city several months ago from Minnesota. The last quarterly conference passed resolutions asking that he be retained and also that Presiding Elder James Moore of this district be allowed to remain.

The following is the program for tomorrow.

**Tuesday.**

A. A. Helst, Presiding.  
Address, C. W. Williams, Minister First Church, Lewiston, Idaho.

## HE JUST WANTS TO GET EVEN ON LAFERTY

Blaming Peter Laferty, a half-breed Indian, for his intoxication and arrest by the police Saturday night, David Smith, an Indian, residing near the city, appeared before Judge Webster this morning and swore to a complaint charging Laferty with selling liquor to an Indian.

When questioned Smith stated that he wanted the whiskey—in fact that he was glad to get it, and that the arrest was a matter only of getting revenge on Laferty, and beating his wife to making a complaint against him. According to his story, Laferty got some whiskey and Smith and others went to Laferty's home, which is near the city limits, indulging in the liquid too heavily, they seem to have become boisterous, and Laferty, so Smith says, had him arrested and thrown in jail.

"It cost me some money," he said this morning. "I have a wife and family to support, and I want to get even with him for having me thrown in jail. If I did not have him arrested, my wife would anyway. "What do you think of a man," he concluded, "who will give another whiskey and then have him arrested?" After the papers were made out, Smith went away happy, agreeing to be on hand in the morning with another witness to prosecute the case—to see to it that Laferty gets the full penalty provided by the law.

## UNKNOWN MAN KILLED BY EARLY TRAIN

While sitting on the track of the Southern Pacific Railroad company near the Tom Davidson place, an unknown man was struck by the engine of the early morning passenger train today and his mangled remains hurled into a ditch by the side of the track. The engine struck the man full and square, breaking an arm and one hip, and death came instantly.

Because of the dense fog at the hour of the accident—about 8 o'clock, the engineer did not see the man until the train was almost upon him. When he observed him, he was sitting on the track and was either in a drunken stupor or intended to commit suicide. The engineer blew the whistle and applied the emergency brakes but he was unable to either arouse the man or stop the train.

**No Identification Marks.**  
Coroner Clough arrived upon the scene a few moments afterwards and took the body into custody. There was found upon the dead man's person nothing but a broken whisky bottle which was shattered when the engine hit him. There was no slip of paper—nothing by which identification can be affected.

The dead man is about 35 years of age; has a red mustache, brown hair and gray eyes. The clothing was that of a laborer.

With the hope that some one may be able to identify him, Coroner Clough will hold the remains for several days at the Lehman & Clough Undertaking Parlor.

## CASCARETS CLEANS LIVER AND BOWELS

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fogginess, everything that is horrible and nauseating. A Cascaret tonight will give you a thorough cleansing inside and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver, and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
