OREGON SUPREME COURT DECISIONS

(Continued from Page 4.)

same being hereafter, for convenience, called "Exhibit A":
"Re-insurance Contract Between
Western Life Indemnity Company
and The Order of Washington."

This Agreement, Made and entered into by and between the Western Life Indemnity Company, a corporation organized and doing business under the laws of the State of Oregon, of the City of Portland, Oregon, hereinafter designated the Order, by J. L. Mitchell, its attorney in fact.

Witnesseth that:
Whereas, Said Order is a fraternal beneficiary society, with a subordinate lodge system, and under its by-laws has issued and has now outstanding membership certificates providing for indemnity in case of death or disability and has also issued and has outstanding certain other certificates providing for sick and accident benefits, and

Whereas, Said Order is desirous of transferring or reinsuring its members holding said certificate providing for death and disability indemnity only to said Company.

Now Therefore, The said Company, in consideration of the covenants and agreements hereinafter contained, does hereby reimburse and accept as its members, upon the terms and to the extent following, all of the living members of the said Order holding said above described membership certificates, who are in good standing at twelve o'clock noon on the date this agreement goes into effect; it being understood that this shall also include such delinquent members of said Order as shall be hereafter reinstated under the terms of the said certificates. As to every such member said Company will and do hereby assume the full liability under his or her said Life Benefit Certificate for the full term of one year from twelve o'clock noon of the day this agreement goes into effect, unless such policy is sooner exchanged, as hereinafter provided.

On or before the expiration of said term of one year, said Company will issue to each such transferred or reinsured member, in lieu of his present Life Benefit Certificate in said Order, without medical examination and without expense to him or her, the Whole Life Non-Participating Policy of said Company, or any other form of policy now issued by said Company, at its present prescribed premium rate for such policy, applicable to his or her then attained age, for an amount, not exceeding that provided by his present Life Benefit Certificate in the said Order according to one of the two following options:

First Option: Said member may receive from said Company, in lieu of his or her said Life Benefit Certificate in said Order, upon filing his written application therefor, any form of policy now issued by said Company, on which policy the member will be required to pay the present prescribed premium rate of the Company for such policy, applicable to the said member's then attained age, the said policy to be free from all lodge dues; or

Second Option: Said member may hereafter pay to said Company the same premium amount heretofore paid by him or her to said Order and thereupon, shall receive from said Company, in lieu of his or her said Life Benefit Certificate in said Order, said Company's Whole Life Non-Participating Policy, for such an amount of insurance as said monthly payment will purchase, computed on the present Whole Life Non-Participating Premium Rate of said Company applicable to the said member's then attained age, which he plainly expressed in words and figures in the face of the policy; the said policy to be free from all lodge dues. (The Whole Life Non-Participating Premium Rate of said Company is the National Fraternal Congress four per cent net rate, with an adequate loading for expenses.)

Any such member who fails to notify said Company of his or her selection of one of said options within one year from the date hereof shall be assumed to have selected and accepted the second of said options; and thereupon the policy provided for in said second option shall be issued to and accepted by him or her, in lieu of his or her said present Life Benefit Certificate.

That the entire undertaking of said Company is to assume and carry the contracts of said Order, transferred, as heretofore provided, and as evidenced by the said certificates, for the period of one year from the date this agreement goes into effect, and that at the end of said year, or before, upon the selection or acceptance of one of said options, as above provided, said Company will issue to said transferred member, without medical examination or expense to the insured the policy provided to be issued in the option so to be selected or accepted, which said policy when issued shall in the case of each and every transferred member replace his Life Benefit Certificate, and cause such certificate to become null and void.

That until further notice from said Company during the term of one year, as aforesaid, premium payments may be made by such members, either at the Home office of said Company or at such other place or places as may from time to time be designated by said Company.

That the Subordinate unions of said Order may be continued by its present members, but such subordinate unions shall not be necessary to the continuance of their insurance in said Company, neither shall said unions be a part of or controlled in any manner by said Company, nor shall said Company be held to any responsibility for the acts of such unions, their officers or members.

That said Company hereby reserves and is given the same right of defense against any liability which may accrue to or against it under or because of this agreement as would or could be exercised by said Order in the absence of this agreement.

That said Order, through its proper officers, and immediately upon the acceptance of this agreement by its

OWES HER HEALTH

To Lydia E. Pinkham's
Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's

Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."

Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.

MEMBERS OF LEGISLATURE ALL HONEST

[UNITED PRESS LEASED WIRE.]

Chicago Oct. 11.—As a result of the testimony of John Pfeiffer, law partner of Albert J. Hopkins, defeated opponent of William Lorimer as candidate for the United States senate, that five members of the legislature had suddenly switched to Lorimer when Lorimer's agent became active, State Senators Downing and McCormick and State Representatives Burgett, Lawrence and Fieldstock were called to the witness stand today in the investigation of the charges that Lorimer purchased his seat in the senate.

Senator Kern arrived today and the sub-committee of the senate elections committee, before which the hearing is being conducted is now complete.

Sensor McCormick testified that he supported Hopkins on 107 ballots and switched to Lorimer in order to break the deadlock. He said he never received any money, as none was offered him and that throughout his entire legislative career had never heard of graft, corruption or deadlocks.

Questioned by Senator Kern, he said he believed that every member of the legislature which elected Lorimer was "honest and as good as gold." He said he did not place any credence in the confession of State Representative White, and thought that the other representatives confessed in fright.

Henry Terrill, a former member of the legislature, said that John Griffin, another assembly man, told him there was a "thousand in it" if he voted for Lorimer. He said he refused the money and voted against Lorimer. Later, Terrill declared, Lorimer summoned him and asked for his vote, declaring that he was "going to be put over by the Democrats next day."

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
