### MAKES COLDS OR GRIPPE VANISH

You can surely end Grippe and break up the most severe cold either in head, chest, back, stomach or limbs, by taking a dose of Pape's Cold Compound every two hours until three consecutive doses are taken. It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, mucous catarrhal discharges, running of the nose, soreness, stiffness and rheumatic twinges. Take this harmless Compound as directed without interference with your usual duties and with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or Grippe misery as promptly and without any other assistance or had after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply. Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.
