# KINGWOOD PARK

The Show Place of Salem

This beautiful subdivision has been visited by thousands of Salem people during the past summer, and in every instance each person has expressed him or herself as being not only greatly surprised at the amount of work done, but highly pleased at the magnificent setting of the addition, the splendid houses being erected and the amount and character of the improvements under way.

This advertisement is written for a two-fold purpose. First, to call attention to the fact that you should see Kingwood at once and judge for yourself as to its merits; second, to let you know that all the improvements are included in the price of lots. These range from \$300 to \$650, and can be had on the easy payment plan, if desired.
