Moving Pictures—Of Uncle Sam's \$500,000,000 canal at Ye Liberty.

At the Palm—Jim Shaw & Co., with three big acts. Thursday, Friday, Saturday and Sunday. All new ones.

Pay Their Claims—Within the past few weeks Protection lodge No. 2, A. O. U. W., has paid the claims of their late brothers, Wilbur Cornell, R. L. Pratt, G. H. Irwin and Charles Calvert, in full, making a total of eight thousand dollars paid in this city only which goes to show the good accomplished by the A. O. U. W. lodge.

A Pioneer Gone—John Osborne, a pioneer of Polk county, died Sunday morning, and was buried this afternoon from the Coitage undertaking parlors. He was 80 years old, and had lived on the home place, near Greenwood, 45 years. The remains were buried at Rural cemetery. He leaves two sons and two daughters, one of them, Mrs. Huntley, of Polk county; W. F. Osborne, of the Osborne hotel, and Miss Verneeta Osborne, of Eugene, were present at the funeral in this city.

Suit Over Hops—A complaint was filed today by George F. Livesley vs. Steve J. Merton, in which Mr. Livesley is endeavoring to recover \$1160 damages, claimed to have been suffered because of the failure of Mr. Merton to deliver to him 45 bales of hops, which he had contracted to sell at 30 cents a pound.

The Third Degree—The "Third Degree" at the Grand last night drew a fairly good house, which was quite appropriate, as it was a fairly good play, fairly well presented. In fact in some respects it was fine, but there was "a fly in the ointment", that kept it out of the first class catalog—that was substitution of actors—the attempted filling of large holes with small plugs, and consequent leakage. However, in spite of this, the play was far from bad, and might be classed as passable. Judged by "The Girl of the Golden West," it was a real good play and a strong company.

(To be Continued)

A Marriage License—To William Edward C. Cooper, of Meeley, aged 23, and Miss Minnie Magdalena Anhook, of Turner, also 23 years of age.

Must Patronize Theater—Salem people turned out two very shy audiences Saturday night and Monday, and Mr. Waters of the new Grand Opera House is very much discouraged about bringing any more of the legitimate drama to this city. "The Commuters" coming on at the Grand Wednesday night is by the original company that played 200 nights in New York. There should be a packed house to a great production like that unless Salem wants to descend as a theater town to the level of towns that get only the second class road companies and crossroads barnstormers. The Grand has the Australian boys Saturday night as one of the high school entertainments.

The Panama Canal—The Panama exhibit and film production at Ye Liberty promises to be more interesting and educational than expected. Mr. Wayne O. Adams will exhibit skins of snakes and hides of the various wild animals that haunt the Panama zone, all of which are his own killing and trophies which he prizes very highly. Mr. Adams is a natural born hunter and takes great delight in this exhibit. The Panama canal work is something that all are interested in and this moving picture that Mr. Adams will give is a real production of what is being done. No one should miss seeing this rare entertainment, remember that there are 2500 feet of film.

For Neuralgia, nothing is better than Dr. Miles' Anti-Pain Pills. Used by thousands for a generation. Those who have suffered from neuralgic pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. ### IS YOUR HAIR STREAKED WITH GRAY OR FADED

How often one hears the expression, "She is gray and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young. The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age separate their future simply by allowing the gray hair to become manifest. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy, a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, in expensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair. It is a pleasant dressing for the hair, and after using it a few days, itching and dryness of the scalp entirely disappear. Don't neglect your hair. Start using Wyeth's Sage and Sulphur today, and you will be surprised at the quick results. This preparation is offered to the public at 50 cents a bottle, and is recommended and sold by all druggists.—Special agent, J. C. Perry.

### Stubborn Colds May Lead to Consumption

Did you ever have a cold that would not let go; a cough that persisted, that prevented sleep, and made waking hours miserable? Eckman's Alternative is the proper remedy in such cases. Perhaps some simple medicine may be effective where it is only a tickling in the throat; but when your chest is sore and simple remedies don't answer—then take Eckman's Alternative. Neglect often leads to more serious trouble; a case in point follows: "Gentlemen: In July, 1905, I first noticed the conditions that showed I had Consumption. I lost weight rapidly; had a hollow cough, hemorrhages and very severe night sweats. My brother recommended Eckman's Alternative. In the Fall of 1905 I began to take it. At this time I am perfectly well and robust. My appetite is good and my weight has increased from 110 to 140 pounds. Not a trace of my old trouble remains. I will gladly express the merits of this medicine to anyone." M. L. GERHARDT. Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upholding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists and J. C. Perry, Salem, Oregon.
