SOCIALIST STAND AS TO RELIGION

Ed. Journal: Will you kindly allow me to make a statement to the public regarding the attitude of the Socialist party on the matter of religion. We are opposed to our speakers attacking any religious assembly. It is our business to do all better conditions, shorter hours and better pay, and thus build up better conditions for all classes of society. We want every citizen to have an equal opportunity at the primaries, as well as at all elections. Our meetings, as well as lectures, are for the purpose of education. We want the people to post themselves on the questions of the day, and be able to vote intelligently, and for their own interest. We don't uphold any one in violating the law, neither do we believe in the arresting of men coming here to seek work, nor do we believe in sending men out to jobs under pretense of giving them jobs for the sake of the dollar, and have them fired, and sent others to take their places in a few days. The public is cordially invited to come to our meetings at Commercial hall next Sunday at 2:30 p. m. Our meetings are always open to everybody. If you have any questions to ask bring them, and you will be treated politely. Very truly yours, R. R. RYAN.

New Brown Bread Recipe

Never soggy--Easily made
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Nearly everybody likes Boston brown bread, but so many have experienced trouble with its being soggy, they have become discouraged. Here is a new recipe that cannot fail if the few simple directions are carefully followed. You will be delighted with the results.

K C Brown Bread
One and one-half cup yellow corn meal; 1 1/2 cup entire-wheat flour; 1 teaspoon salt; 1 1/2 cup sweet milk; 1/4 cup molasses; 5 level teaspoonsful K C Baking Powder.

Sift together, three times, meal, flour, salt and baking powder. Mix molasses and sweet milk and stir into dry ingredients to make a smooth batter. Turn into two empty K C Baking Powder boxes, thoroughly buttered, and let steam three hours. This bread is particularly good to serve with salads or raw oysters; also at breakfast, as toast of all kinds.

Raisins or currants may be added, though some prefer it without. Readers of this paper may obtain The Cook's Book containing this and 89 other delicious recipes free by sending the colored certificate packed in every 25-cent can of K C Baking Powder to the JACQUES MFG. CO., Chicago. Send for The Cook's Book today.

Enjoins the Sheriff-- Thos. M. Barr has filed suit in the circuit court to enjoin Sheriff Minto from selling under execution property located in Grabenburt Fruit Farms in Marion county and also asks damages in the sum of \$150. This suit grows out of the action taken by the Falls City Lumber Co. vs. Herman W. Barr, Leo Barr, F. J. Barr and others, wherein a judgment was found for the plaintiff in the sum of \$1,000. An execution was issued for the sale of the property mentioned above, as said property had just previously, if not at the time, belonged to the defendants. This property, however, Thos. M. Barr contends, was sold to him previous to the action taken by the court and therefore asks that the sheriff be enjoined from selling the same.

It is now occupied by the Sunset Grocery. It is the first door west of Zinn's confectionary. Two doors east of Both grocery and opposite the new High block. The number is 432 State street. GEO. C. THE TOGGERY Phone 336, 167 Commercial St. DAVE YANTIS AL HURST (To be Continued)

GRIZZLY OLD PROSPECTOR.

(Continued from page 1.)

Rockefeller would deal with my brother and myself, and if we could deal with him we could remain in the company and be protected. But, in order to do that, he told me, we would have to go the will of Rockefeller.

Rocky as a Swindler. "I was amazed when he said that if Rockefeller protected us, the stocks of others in the company would be thrown down. He mentioned several of our assistants by name. My brother, who was present, said:

"Gates, we've got laws in this country. To do what you want us to do would land us in jail. Rockefeller, with his \$700,000,000, cannot make us do that."

"I turned to Gates and said: 'You came from Rockefeller. Go back to him. Tell him that when I steal for a living, I will steal for myself.'"

"Shortly after that I was told that we had to pay our loans within 24 hours. There I was in New York. They had my stock. I had never seen it since they took it. I did not even money enough to get home with."

Stole Merritt's Millions. "Gates was amazed because I would not do what he wanted, and told me once that I would have to walk home on the ties, I could not see how in hell it was that I had gone to New York with a million, and in these few months had lost it all, and stood contemplating a wreck. I had been taking advice of Counsel J. Wellwood Murray."

At mention of his name, Murray, who had sat throughout the hearing, jumped to his feet, exclaiming: "I would like to have him asked if it was ever his personal counsel. 'I'll answer that,' replied Merritt. 'Were't you counsel for the consolidated mines, and didn't you advise me throughout these transactions.'"

Chairman Stanley interrupted this exchange, which was becoming heated, saying that the witnesses must not be interferred with.

At the conclusion of Merritt's testimony Representative Dasforth moved to strike out all of his testimony on the grounds that it was irrelevant. The motion was lost, Danforth and Gardner supporting it, and Stanley, McGill and Beall voting against it.

Frank Seifert, formerly a Salt Lake City newspaperman is the new publisher of the papers.

A Mail Carrier's Load. Seems heavier when he has a weak back and kidney trouble. Fred Due-rnen, mail carrier at Atchison, Kas., says: "I have been bothered with kidney and bladder trouble and had a severe pain across my back. Whenever I carried a heavy load of mail, my kidney trouble increased. Some time ago, I started taking Foley Kidney Pills and since taking them I have gotten entirely rid of all my kidney trouble and am as sound now as ever." Foley Kidney Pills are tonic in action, and quick in results. Try them. Red Cross Pharmacy (H. Jerman).

THE PANAMA CANAL FILMS ARE A WONDER

The big attraction at Ye Liberty Theater are the Panama canal films and accompanying lecture by Wayne Ozer Adams who spent four years on the isthmus.

Mr. Adams' lecture shows an intimate acquaintance with his subject, which could be gathered only by participation in the actual work, and he is fortified by facts and figures that are astounding, and which one seldom has opportunity of gleaning from the public press. When one thinks that digging has been going on for four years and that the gigantic piece of engineering will not be completed until 1915, and sees Mr. Adams motion pictures illustrating how mountains are being leveled, locks hundreds of feet in height constructed, the treacherous Chagres river effectively being made to do man's will, and a explanation of sanitary condition before and after our federal government assumed responsibility for this immense marine pathway, a much better idea of present conditions in the canal zone can be obtained than from volumes of printed matter.
