THE MONEY POWER AND THE LABOR COMBINES

Ed. Journal: The trial of the Mc-Namara brothers, now progressing in Los Angeles, California, brings to the forefront again the great issue be-tween capital and labor. This pend-ing case will doubtless be considered a cause celebre, affecting as it does a remarkable array of persons and in-cidents. It will require an estimated expense of more than one million dollars, besides hundreds of witnesses from many states. It is thought that the trial will cover a period of six months or more. The end of it will be but another chapter in the great conflict between capital and labor.

It is far from our purpose to express an opinion as to the guilt or innocence of the defendants in this case Our purpose is to point out what the Bible plainly teaches will be the inevitable outcome of the principles ininspiration gives a remarkable outline of the issue between the rich and the poor, capital and labor lish your hearts: The Apostle James writes the follow-ing on the subject: one against another, brethren, lest ye be condemned."

Backache is only one of many symptoms which some women eadure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows :

"At times I was hardly able to be on my feet. I believe I had every pain and nehe a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous beadaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. SAVE YOURSELF

There is no reason why you should always be a slave.

If you are desirous of saving yourself or a friend from a drunkard's grave, you cannot afford to overlook the opportunity offered at the Hot Lake Sanatorium for the cure of the liquor and drug habit. Hot Lake mineral baths prepare the body for the treatment and then sooth the nerves and actually remove the desire for the liquor or drug. Hundreds of happy homes in Oregon and Washington today bear witness to the efficiency of the Hot Lake treatment. One week will in most cases effect a cure. Sometimes longer is required, but not often. The best of care is given the patients. For full information, address
