PETER MILLER HAS A BUNCH OF TROUBLES

SET SCRATCHING BY POISON OAK, HE GETS IN A FIGHT AND HIS GLASS EYE IS BROKEN, HE IS LICKED, LOSES HIS PASS AND GETS IN THE JUG.

Suffering from a bad case of poison oak, his glass eye broken, and with several bruises on his body, Peter Miller, a laborer on the Oregon Electric this morning presented a sorry spectacle when on being arraigned before Judge Elgin he told of a fight between himself and one A. Finlay. Miller came to the city yesterday afternoon to have his hard wood troubles treated by the railroad physician. He met Finlay with the result that a fight occurred. Finlay, according to the story of the poison-oaked one, in addition to leaving marks of his violence on the body of Miller, and breaking his glass eye, also took from his person a return pass on the road, to where Miller is employed.

Judge Elgin, after listening to the story, discharged Miller and gave Finlay five days in jail.

U. Keith seems to have gone on a rampage of scaring and accosting women on the streets last night—anyway that was the charge against him—and he received five days this morning. He was unable to pay the fine and won't have anything handsomer than his jailor to oggle for five days.

A. Hunt indulged in profane language and received five days. Eric Hoganson and W. Abrams partook of too much of the liquid that cheers, and the former was given three days while the latter paid his fins and was released.

R. M. Cain is now mayor of Seio, being elected on the citizen's ticket.

women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50¢ at J. C. Perry.

Even the man who can make a decent living doesn't like to work that hard.

The whole affair is meant to be a regular "house warming" for the school and the object is for the teachers, pupils, parents and friends to become better acquainted.

"My Partner and I"

"MY PARTNER AND I"

came to the wheat belt of this State about three years ago. We rented 160 acres of good land and started in. The first year we made enough to purchase the property. The second year we bought more land, and this year my "partner" and I feel that our future is assured for all time to come. I feel that my success is due to the best "partner" a man ever had. If you want to succeed, use Russell Machinery which you can always depend on to make you money.
