Wants Divorce—Nora D. Kobow Saturday filed a suit for divorce against Louis F. Kobow. She charges cruel and inhuman treatment as the ground for annulling the marriage bonds.

Hartley Residence Completed—Dr. and Mrs. S. Z. Hartley moved into their new residence on Fir and Wilson streets Saturday. The residence is in the nature of a bungalow, and is modern throughout. The doctor established himself in the city a number of months ago, and has already succeeded in building up a good practice.

Sudden Insanity—Bob Wolfe was examined before Judge Busby Saturday as to his sanity, and was committed to the asylum. He was taken violently insane while in a hotel room at Jefferson, and was firing everything in the room out of the window, when seized and overpowered. He came from Centralia, Washington, recently.

Banquet Col. Applegate—The Salem lodge of Elks Saturday evening gave a banquet at the Hotel Marion in honor of Col. C. L. Applegate, a trustee of the order, and who, with others, has been in Portland making arrangements for the convention to be held there in July of next year. August Hucklestein acted as toastmaster, and speeches were made by Judge Benson, of Klamath Falls; Charles Burgraf, of Albany; Acting Governor Olcott, Mayor Lachmund, Charles L. McNary, Dr. Carleton Smith, Frank Wrightman, Dr. W. H. Byrd, Hon. P. H. D'Arcy and others.

New Depot for Latham—The Oregon Railroad Commission received advice today from the Southern Pacific Railroad company that, pursuant to a request made upon it by the commission, that it will at once commence the construction of a depot at Latham.

Woodmen Elect—The following were elected officers of the Modern Woodmen of America at an election held last week: A. H. Bunn, V. C.; E. J. Lally, W. A.; T. J. Day, banker; F. A. Turner, clerk; R. A. Grant, escort; W. W. Hill, watchman; F. A. Baker, sentry; L. G. Altman, E. E. Fisher, O. B. Miles, W. S. Mott, camp physicians; H. H. Stanton, trustee for three years

It Will Not Go—According to a report submitted to the Oregon Railroad Commission by the Bureau of Railroad Statistics, a vast number of those killed by railroad trains are trespassers. The report shows that during 10 years

from 1901 to 1911—that 50,708 trespassers were killed and 54,182 were injured. The report suggests that a law be passed in the state forbidding pedestrians using railroad tracks.

Were Salem Visitors—Mr. and Mrs. Frank P. Williams of Hotel Bowers, and Mr. and Mrs. H. J. Cumberly, of Portland, were guests of Mr. and Mrs. C. H. Savage of the Marion on Sunday. Mr. Williams was steward of the Marion a year and is getting a fine run of Salem people at the Bowers, which is only a block from the Oregon Electric on Washington.

Prefers Oregon—B. F. Goin, who is a Missourian of 50 years' residence, and who stopped over in Colorado four months, and in Idaho, 14 months, as long as he could stand it in either place, and then came to Oregon last July is delighted with his last stopping place. He says many of his old friends in Missouri are coming this way. They like Oregon. It is a kind of second home to them, and it is where they want to go to when they leave Missouri. They look to Oregon as almost next to heaven.

About Street Cars—Another double-truck car was brought up from Portland Friday, and is now running on the Commercial street line. Traffic to Salem Heights is so light that the company may discontinue this service. If it does, it might be, indeed would be, a good proposition to have the cars on all lines run on the same schedule, so that they would all meet at State and Commercial streets, and transfer without annoying waits could be made, and, more than all, could be depended upon. The reporter knows of people living in South Salem, who, if they want to get over into the neighborhood of the state house, walk, because they can make it more quickly than by waiting for the cars, both at the starting point, and for the transfer at State street.

At the Grand—Moving pictures tonight.

A Big Time—For everybody at the old time dance, December 12, at the Armory.

John Sigmund—The newly elected councilman, will take with him on the night of his installation a box of Bon Tons, the best five-cent cigar on earth.

At the Grand—Moving pictures tonight.

Wanted—We can use more good poultry. Telephone Main 131. The Sunset grocery. When buying bread, you will want the best. Try our bread one trial will convince. We move to our new location soon after the first of January.

Instructs Clerks—Secretary of State Olcott has issued a letter to the county clerks of the state instructing them relative to sending in addresses of registered voters. At the last election the clerks sent in the precinct instead of the postoffice addresses of the voters, with the result that in thousands of cases the printed election pamphlets never reached them.

Got fine Property—Chas. Spitzbart today got possession of the S. S. Martin corner, Mission and South Commercial streets, from the heirs. The property was sold by the probate court of Marion county and is about 100 by 220, with two houses on it.

Jap Hop King—Frank Mitomas, the Japanese hop king, of the Willamette valley, was in the city this morning. He cleared nearly \$100,000 this year on his hop yard on the river bottom across the river from Halls Ferry. He says all reports about Horst brothers offering him \$250,000 for his property are false. He will not sell his property this year. There is only a limited amount of deep rich river bottom land suitable for hops, and he has some of the best.

ALL YOU NEED IS CASCARET TONIGHT

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels—Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets. Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach. Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry it out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great. A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head and cheerfulness for months. Children love to take Cascarets because they taste good—never gripe or sicken.
