## The Straight Forward Business Methods

Followed persistently by us during the past twenty years in Salem have gained for us the confidence of the entire community. We have carefully avoided the plan of advertising followed so generally by merchants nowadays of making exaggerated statements of value and offering imaginary reductions. There is every reason to believe that a merchant who will misrepresent in his advertising will misrepresent in his store. We may be a little "old-fashioned" in dealing with this problem, but we credit the buying public with enough common sense to know that calling a 50-cent article a \$1.00 value and reducing it to 50c or 63c doesn't increase the value of the article.

## Reliable Merchandise

Sold at the lowest possible price consistent with efficient store service is what we offer you. We consider QUALITY FIRST in buying. That's why our goods give such universal satisfaction.

Just now you will find a splendid line of

USE SAGE AND SULPHUR AND HAVE HEALTHY HAIR

Older isn't the only man who turns down old age. In the business world the young man is always the one who picks the plums. It is an age of "new thought," "new talent," etc., and the old man is passed by in the race.

One of the first signs of coming age is the appearance of gray hairs. When you see them, act promptly. Wyeth's Sage and Sulphur Hair Remedy will correct this sign, which so often deceives people into thinking that age is really upon them. It is a well-known fact that Sage and Sulphur will darken the hair. Wyeth's Sage and Sulphur combines these old-time remedies with other agents, which remove dandruff and promote the growth of the hair.

The manufacturers of this remedy authorize the druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

Don't look old before your time. Get a bottle of Wyeth's Sage and Sulphur today and see what an improvement it will make in the appearance of your hair.

This preparation is offered to the public at 50 cents a bottle, and is recommended and sold by all druggists.—Special Agent, J. C. Perry.

John Taylor, carpenter of Engolwood, has deserted his trade and is moving to a farm near Albany.

Dell Needham, prune grower of Rosedale, and his wife, are in on holiday business.

LORIMER CASE IS NEARING THE END

[UNITED PRESS LEARNED WIRE] Washington, Dec. 13.—Senator Dillingham, of Vermont, announced today that all parties to the long drawn out investigation into the election of United States William Lorimer, of Illinois, had agreed to bring the probe to an early end. Lorimer probably will testify in the near future and the case thereafter will be rushed to a vote.
