## THE NESIKA MINSTRELS AT CHEMAWA

Last evening the Nesika Minstrels of the Chemawa Indian school, gave a pleasing performance before a large and appreciative audience of friends and members of the institution, in which every actor carried his part like a professional. The club was organized by the boys of the school some time ago for the purpose of giving entertainments and they have succeeded to such a degree that the institutional managers are encouraging them to keep up the good work. In last night's program the work of the comedians, Clements and Evans, was probably the most interesting feature of the show and they "pulled down the house" several times. The singing of Wilson was also well received and so successful were all of the numbers that the members of the club are greatly encouraged.

After the performance Superintendent Chalcraft spoke very highly of the work of the organization and he is now endeavoring to have the girls of the school put on a play or a musical for the entertainment of pupils and friends.

### LOCAL BARBERS ELECT OFFICERS

The local barbers' union, No. 629, met in regular session last evening, and elected the following officers: President, Eugene Prescott; vice-president, W. F. Butzke; financial secretary, Tom Gibson; recording secretary, J. E. Maddison; treasurer, T. E. Given.

The barbers' union has been organized but a short time, but has perfected a strong working organization and its influence is already being felt in barber circles.

Salem has 15 barber shops, employing 50 barbers. There is no friction between the journeymen and boss barbers. The union is working along conservative lines, in harmony with the employers, to improve conditions in the barber business. Only one employer refuses to recognize the union.

## Quickest, Surest Cough Remedy Ever Used

Stops Even Whooping Cough Quickly. A Family Supply for 50c. Money Refunded if it Fails.

If some one in your family has an obstinate, deep-seated cough—even whooping cough—which has yielded slowly to treatment, buy a 50-cent bottle of Pinex and watch that cough vanish. If it fails, money back promptly, and without argument.

A 50-cent bottle of Pinex, when mixed with home-made sugar syrup, makes a full pint—a family supply—of the most effective cough remedy that money can buy, at a saving of \$2. Gives instant relief and will usually wipe out a bad cough in 24 hours or less. Easily prepared in five minutes—directions in package.

Pinex Cough Syrup has a pleasant taste—children take it willingly. It stimulates the appetite and is slightly laxative—both good features. Splendid for croup, hoarseness, throat tickle, incipient lung troubles, and a prompt, successful remedy for whooping cough.

Pinex is a special and highly concentrated compound of Norway White Pine extract, and is rich in gualac and other elements which are so healing to our membranes. Simply mix it with sugar syrup or strained honey, in a glass bottle, and it is ready for use. Used in more homes in the U. S. and Canada than any other cough remedy.

Pinex has often been imitated, but never successfully, for nothing else will produce the same results. The genuine is guaranteed to give absolute satisfaction or money refunded. Certificate of guarantee is wrapped in each package. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Indiana.

Harry Dunlop, of Gates, Ore., is registered at the Salem.

Dr. S. W. Weaver, of Hubbard, is stopping at the Bligh while attending to business matters here.
