Concerning Stallions—Pursuant to a request made upon him today by Ermine L. Potter, of Corvallis, secretary of the Stallion Board of Registration, Attorney-General Crawford today rendered an opinion, in which he holds that all stallions owned by Indians on Indian reservations, provided the lands have been allotted, are subject to license.

County Court in Session—The board of county commissioners convened this morning. All of the forenoon was consumed in auditing bills. Tomorrow the board will consider a number of road matters, and then make plans for the making of the levy, which will be fixed at the January term.

Will Take a Feed—At a meeting of the board of trade executive committee today, it was decided to hold the next monthly session with a lunch at the Hotel Marion at 6 o'clock p. m., January 10th. Several speakers from outside of the city will be present and a live program will be presented. The meeting and lunch will be open to anyone wishing to attend. Some important public subjects will be discussed and all will be invited to participate.

Fire in Drug Store—A fire in Shafer's drug store window called out the fire department Saturday night, but, fortunately, the services were not needed, as the small blaze was under control in a minute or two. The window was most artistically and beautifully decorated, though the scene represented the East with its snowy Christmas, rather than Oregon, and the blaze started from crossed electric wires, probably, though its origin is not absolutely certain. The fire flashed up quickly, but was controlled before even the window glass was cracked, but it sure destroyed some handsome decorations.

Remains Sent to Hub—The remains were sent from Rigdon's undertaking parlors yesterday to Hubbard, where they will be interred in a cemetery about nine miles from that place.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English, or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Stops a Cough Quickly

—Even Whooping Cough
A Whole Pint of the Quickest, Surest Cough Remedy for 50c. Money Refunded if it Fails.

If you have an obstinate, deep-seated cough, which refuses to be cured, get a 50-cent bottle of Pinex, mix it with homemade sugar syrup and start taking it. Inside of 24 hours your cough will be gone, or very nearly so. Even whooping cough is quickly conquered in this way.

A 50-cent bottle of Pinex, when mixed with home-made sugar syrup, gives you a pint—a family supply—of the finest cough remedy that money could buy, at a clear saving of \$2. Very easy to prepare—full directions in package.

Pinex soothes and heals the inflamed membranes with remarkable rapidity. It stimulates the appetite, is slightly laxative, and has a pleasant taste—children take it willingly. Splendid for croup, asthma, bronchitis, throat tickle, chest pains, etc., and a thoroughly successful remedy for incipient lung troubles.

Pinex is a special and highly concentrated compound of Norway White Pine extract, rich in gualic acid and other healing pine elements. It has often been imitated, though never successfully, for nothing else will produce the same results. Simply mix with sugar syrup or strained honey, in a pint bottle, and it is ready for use.

Anyone who tries Pinex will quickly understand why it is used in more homes in the U. S. and Canada than any other cough remedy. The genuine is guaranteed to give absolute satisfaction or money refunded. Certificate of guarantee is wrapped in each package. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

PORTLAND TRYING TO AID THE UNEMPLOYED

[UNITED PRESS LEASED WIRE.]
Portland, Or., Dec. 26.—Owing to restrictions of the civil service law governing the employment of men by the city, the meeting of city and county officials for the purpose of devising means to give work to the unemployed was a failure.

With more than 5,000 men idle, the county officials said they could find employment for possibly 50, while Mayor Rushlight said there were nearly 600 men on the civil service list must be given employment before aid could be extended to those most in need of it.

The 50 jobs will go to unemployed men with families.

A Charming Woman
is one who is lovely in face, form, mind and temper. But it's hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50c at J. C. Perry.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CENEY & CO., Toledo, Ohio.

Sold by druggists, 75c. Take Hall's Family Pills for constipation.

Two more vessels are to be put on runs from Portland to Oregon coast points.

With the Coming of Middle Age
There is a letting down in the physical forces often shown in annoying and painful kidney and bladder ailments and urinary irregularities. Foley Kidney Pills are a splendid regulating and strengthening medicine at such a time. Try them. H. Jernan, Red Cross Pharmacy.
