sousework is drudgery for the weak woman. She bru es, dusts and scrubs, or is on her feet all day attending to the many details of the household, her back aching, her the many details of the household, her back acting, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy feelings. Sometimes rest in bed is not refreshing, because the poor tired nerves do not per-mit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription.

It Makes Weak Women Strong and Sick Women Well.

This "Prescription" removes the cause of women's weaknesses, heals intiam-mation and ulceration, and cures those weaknesses so peculiar to women. It tranguilizes the nerves, encourages tho appetite and induces restful sleep.

Dr. Pierce is perfectly willing to let every one know what his "Favorite Prescription" contains, a complete list of ingredients on the bottle-wrapper. Do not let any unscrupulous druggist persuade you that his substitute of unknown composition is "*just as good*" in order that he may make a bigger profit. Just smile and shake your head I Dr. Pierce's Pleasant Pellets cures liver ills.

The Danger of La Grippe

is its fatal tendency to pneumonia. To cure your la grippe coughs take Foley's Honey and Tar Compound. R.E. Fisher, Washington, Kas., says: "I was troubled with a severe attack of la grippe and nothing I used did me any good and I was threatened with pneumonia. A friend advised me to use Foley's Honey and Tar Compound and I got some at once. I was relieved from the very first. By the time I had taken three bottles my la

grippe was gone. I believe Foley's Honey and Tar Compound to be the best medicine I ever used and always keep a bottle with me." Red Cross Pharmacy (H. Jerman).

Twenty-one inter-insurance exchanges and insurance companies were admitted to do business in Oregon during 1911.

24 hours, and is unequalled for prompt results in whooping cough. A 50-cent bottle of Pinex, when mixed with home-made sugar syrup, makes a full pint of the best cough remedy ever used. Easily prepared in five minutes—direc-tions in package. The taste is pleasant—children take it willingly. Stimulates the appetite and is slightly laxative—both excellent features. Splendid for croup, hoarseness, asthma, bronchitis and other throat troubles, and a highly successful remedy for incipient lung troubles. Pinex is a special and highly concen-Here is a remedy that will cure your cold. Why waste time and money experimenting when you can get a preparation that has won a world-wide reputation by its cures of this disease and can always be depended upon? It is known everywhere as Chamberlain's Cough Remedy, and is a medi-cine of real merit. For sale by all dealers.

defendant in the use of the water, and from this decree defendant ap-

pals. Other facts appear in the opin-

McBride, J. It appears from the

estimony that the land occupied by

plaintiffs was originally settled upon about the year 1871 by Harrison Huntley, a brother of defendant, and

that about the same time defendant settled upon the lands now occupied

by him. While the testimony is not

clear, we conclude that the first ap-

propriation was made for the purpos of irrigating the Harrison Huntley tract, that is to say, a small portion of it, and later the land of defendant.

Pine creek, at that time, was a stream running near the level of the adjoining land, and it is probable that a portion of the land to some ex-tent was sub-irrigated by the natural percolation of the waters of the stream later a stream basis
