NEW MEN IN CHARGE OF THE CITY

SIXTY-SEVEN COUNCILMEN TAKE THEIR SEATS—NEW OFFICERS STUDY PROCEEDINGS.

Next Monday morning the Councilmen will take their seats in the Council Chamber, ready to transact the business of the city.

Most of the members of the new Council are men of substance, well acquainted with the business of the city, and many of them are prominent in business circles. The Councilmen are expected to take an active part in the business of the city, and to do so in a business-like manner. The new officers will study the proceedings of the Council and make such recommendations as they may think necessary for the welfare of the city.

New officers will be elected at the next meeting of the Council, and the new officers will be sworn in as soon as possible. The new officers will have the power to appoint new officers and to remove the old officers, and the new officers will have the power to make such changes in the city government as they may think necessary for the welfare of the city.

In conclusion, we may say that the new officers will be a decided improvement in the government of the city, and that the new officers will do their best to promote the welfare of the city.
