THE NAMES HAD TOO CLOSE RESEMBLANCE

[UNITED PRESS LEASED WIRE.] Sacramento, Cal., Jan. 6.—Secretary of State Jordan turned articles of incorporation for the Independent Order of Moose of the World, organized at Los Angeles, on the ground that the name was too much like the name of the existing lodge of Moose, in opposition to which the new order was formed.

The Cottage Hotel, at Halfway, Baker county, was burned January 11, according to the Herald—which is certainly news up-to-date.

DEMOCRATS GATHER IN WASHINGTON

[UNITED PRESS LEASED WIRE.] Washington, Jan. 6.—Hundreds of leading Democrats are either here today or due to arrive for the national committee meeting, and the Jackson day banquet on Monday. It is evident that William J. Bryan is again the central figure, and the big question confronting the leaders of the "unterrified" is, "what will Bryan do?" Bryan will arrive here Monday, Woodrow Wilson arrived this afternoon. His adherents are busily laying wires to get the Bryan support.

It is easier to stir up than to build up.

RECEPTION WAS AS COLD AS WEATHER

[UNITED PRESS LEASED WIRE.] Danville, Ill., Jan. 6.—A frosty greeting, both literally and figuratively, was extended to Senator Robert M. LaFollette here today when he stepped from the train to continue his Illinois campaign for the Republican presidential nomination.

The first thing the reception committee did was to inform the Wisconsin senator that while they were glad to welcome him to Danville, it must not be construed that they were committed to "LaFolletism" merely because they constituted the reception committee.

Despite the extremely cold weather and a driving snowstorm, many persons heard Senator LaFollette speak in the grand opera house.

TWO ELSIES BUT ONLY HAD ONE HUSBAND

[UNITED PRESS LEASED WIRE.] Springfield, Mo., Jan. 6.—Two Mrs. Elsie Halls met here, laughed over the situation, and naturally talked "hubby." Descriptions were identical. "Gracious! the same man," they said. So it was. Hall is gone.

SEATTLE HAS PACE MAKING SCHOONER

Seattle, Jan. 6.—Having sustained her reputation as the fastest vessel of her rig afloat, the four-masted schooner Wilbert L. Smith arrived this morning 41 days from Callao, Peru. Captain A. S. Ross is her skipper.

PREACHER IS SOMEWHAT OF A BIGAMIST

Columbus, Kan., Jan. 6.—Rev. J. E. Hansman married so many couples that he got the habit himself. Three times he heard the "oh, this is so sudden." Then he was fined \$600 for bigamy.

Shows Big Profit.
Vancouver, B. C., Jan. 6.—In spite of many extensions Vancouver's municipal water department shows a profit of \$200,000 for the year. It is probable there will be a reduction to the consumers.

JIM FLYNN TO FIGHT JOHNSON

[UNITED PRESS LEASED WIRE.] Chicago, Jan. 6.—Jim Flynn, of Pueblo, this afternoon agreed to a finish fight with Jack Johnson for the heavy-weight championship of the world July 22, at some point in Nevada, not more than two hours' ride from Salt Lake City.

Johnson is guaranteed \$30,000 and one-third of the moving picture receipts and \$1000 for training expenses.

Tim Sullivan, of New York, will probably be temporary and permanent stakeholder.

Both Flynn and Johnson were present when the agreement was reached.

THE RAILROAD WAS BUILT IN SINGLE NIGHT

[UNITED PRESS LEASED WIRE.] Fairfield, Cal., Jan. 6.—Fairfield awakened today to find a new railroad that it did not want had been built over night by the Southern Pacific, 200 men setting a spur track from the main line to the Pioneer Fruit company's plant, a distance of one mile. Fairfield is opposed to the line unless given a station of her own, the town being the county seat of Solano county. The railroad refused to grant the depot owing to the proximity of the town of Suisun.

TROOPS ARE ALL READY TO SAIL FOR CHINA

[UNITED PRESS LEASED WIRE.] Manila, Jan. 6.—Troops here are in readiness for immediate orders to sail for China, should the war department at Washington order American soldiers to the far east to keep open the railroad from Peking to the coast.

It is believed that the Fifteenth infantry will get their duty, and officers have made all preparations, so that there shall be no delay.

HER BABY HAD A BLACK SPOT ON EACH SIDE

Los Angeles, Jan. 6.—"I've lost my baby," sobbed Mrs. Virginia Malcolm to the police. "He had a black spot on each side." Investigation revealed the baby is a fox terrier puppy.

Ambition may cause a man to make a sport, but it takes a family to make him hang on.

A MONSTER PROGRAM AT THE BLIGH

A REGULAR SAN FRANCISCO AUDIENCE GREETED THE GENUINE "BIGGEST CITY" PROGRAM PUT ON AT THE BLIGH—DON'T MISS IT.

"A regular San Francisco audience" was the way many visitors at the Bligh theater spoke of the crowd present because of the forcible manner in which they expressed their hilarity when, as a climax to the rousing comedy put on by the John Chick Comedy Five presenting "School Days," Mrs. Chick, the severe old school ma'am, leaped into a sensational dance. The audience went further than mere clapping, stamping and whistling—dozens of voices yelled "come back, come back." The Comedy Five consists of John Chick, Mrs. Chick, Mabel Alberta, Elmer Ballard and Frank Bligh.

A most pleasing surprise was in store in the "Romig Twins," the substitutes for another act that did not pass inspection by Manager Bligh's keen eye. Two charming little Indian maids danced onto the stage and in melodious notes and harmonious steps sang and danced a weird Indian ballad. A shift brought them back with "The Husking Bee." Their act ended with "Billy McGee" which was clever, charming, and beautiful.

The orchestra music, not elsewhere in Salem, and the unusual pictures on this week, add to the program in making it one of unusual merit. "A life for a life" and "The Maid at the Helm" are two of the masterpieces of the film of making art.
